

3-Way Collision Results in 7th Fatality Of Year

Man, 28, Dies After
Bypass 66 Crash; 16
Hurt In 23 Accidents

(Pictures on Page Two.)

This area's seventh traffic fatality of the year—the first in 46 days—occurred Friday night when Donald Eugene Ducker, 28, Collinsville, suffered fatal head injuries in a three-way collision on Bypass 66 four-tenths of a mile east of the Chain of Rocks Bridge.

Sustaining a depressed skull fracture in colliding head-on with an automobile transport truck, Ducker was brought by ambulance to St. Elizabeth Hospital and then transferred to Barnes Hospital, St. Louis, where he died at 2:45 a. m. Saturday about four hours after the 10:40 p. m. crash.

In addition to the fatality, there were 16 injuries in a series of 23 auto accidents on the Quad-City area during the weekend.

State police said the multiple crash began after the eastbound auto of Delmar Parsons, 53, St. Louis, stopped behind another eastbound car which had halted to make a left turn onto the Conko road.

The truck, operated by Harold Lee Merry, 37, St. Charles, Mo., also was traveling east on Bypass 66 and could not be stopped.

In time, striking the left rear side of Parsons' auto, Merry rolled. The truck then rolled over onto the westbound lane and collided with Ducker's oncoming westbound car.

Ducker, a former resident of Centralia, resided at 427 Bissell street in Collinsville. He was alone at the time of the crash and his car was badly damaged.

Three GC Boys Hurt

Three Granite City youths were injured, one seriously, in a two-car crash on Collinsville road, Routes 66 and 40, at 1 a. m. Saturday.

Most severely injured was James W. Dugan, 18, of 2156 1/2 J Avenue, who suffered a leg fracture and fracture of his lower jaw. Admitted to St. Mary's Hospital, East St. Louis, he was transferred to St. Elizabeth Hospital, where he is in fair condition today.

He was riding in the auto driven by Smith Joseph W. Holder, 16, of 3118 Aubrey avenue, was admitted to St. Mary's Hospital and then discharged yesterday.

Returning here from a restaurant on the highway, they were going east and making a left turn off Route 66 onto Sand Prairie Lane. The other car was being driven west by William Boucher, 41, East St. Louis, who was injured seriously.

Three Injured Last Night

Three persons suffered injuries at 5:30 p. m. Sunday in a two-car collision at Wayne and Joy avenues. Involved were the eastbound auto of Mrs. Rita Holbrook, 39, of 2709 Maryville road, and the car of Mrs. Dorothy Rittberger, 36, of 3301 Franklin avenue, who was going south on Wayne.

Ambulances were called to take the injured to St. Elizabeth Hospital.

Those treated were Mrs. Rittberger, who received back injuries and was admitted to the hospital; Mrs. Holbrook, bruised left arm and shoulder; and Mrs. Holbrook's son, Leonard, 12, large bruise and abrasion on lower lip. Her husband, Leo Holbrook, 44, also was a passenger.

Union Electric Firm, Union To Meet Tuesday

A meeting between officials of the Union Electric Co. and representatives of Local 148, International Union of Operating Engineers, will be held tomorrow morning at the general offices of Union Electric Co. in St. Louis in an attempt to avert a threatened strike of Local 148 members at six power plants in Illinois, Missouri and Iowa.

Bank and file members of the local, who met Thursday and Friday in St. Louis and in East St. Louis, authorized the local's negotiation committee to call a strike against Union Electric. Negotiations on a new contract between the operating engineers and the electric company were broken off without agreement on July 1 following several meetings in the two previous months.

Local 148 Business Agent Leo Bachinski said this morning that if tomorrow's negotiation session, called by the U. S. Mediation and Conciliation Service, is not productive, a strike might result, affecting workers at the Union Electric plants and Granite City plant.

Other locations where employees are members of Local 148 and which would be affected by a strike are at Cahokia, the Duage, Ashby and Meramec plants in Missouri, and Keokuk, Ia.

Both Local 148 and Union Electric spokesmen said today that the details of an offer made by the electric company and rejected by the union, together with other proposals to be made at tomorrow's mediation meeting, would be kept confidential until after the meeting.

Deadline Tomorrow On Venice Tax Payments

Unless there is a tremendous surge in Venice township tax receipts between now and tomorrow's closing deadline, about 80% of the taxpayers may be penalized 1% increase on their tax payments, Tax Collector Frank Reideberger said today.

Due to date only \$402,009 of the \$2,014,825 in taxes has been collected, leaving \$1,612,816 due.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent Thursday: Gena Shipoff, 1508 Sixth street, Madison; Walter Hundley, 2600 Delmar avenue; Joseph Gnoth, 1542 Johnson road; Imogene Patton, 2809 Cayuga street; Glenn Wynn, at 2473 Center street.

GC Police Predict 87 Accidents This Month

A prediction that 87 traffic accidents will occur in Granite City this month was made late last week by the records division of the police department.

The monthly forecasts are based on city accident statistics for the current year and past years, with an allowance for an increase in the number of vehicles.

In June, 82 accidents were reported in the city, while in July 1959, 80 were recorded.

Man Swept Into Boat Propeller

A 26-year-old Granite City man, Robert A. Harris, 3108 Dodge avenue, was swept into the propeller of an outboard motor while water-skiing at 3:30 p. m. Saturday, but suffered no serious injuries to the left ankle and lower leg. X-rays showed no fracture.

A member of the Granite City fire department, Harris had been skiing behind a boat in the Mississippi River off Moonshine Island and was in the water when the boat began to drift toward him. The turbulence around the outboard engine drew him into the whirling propeller blades before they could be halted.

Fired Deputy Back At Work

Booker Walton, Madison Fifth Ward Alderman and one of two local deputies fired by Sheriff George Musso during the spring county election campaign, has been reinstated as a deputy this month, it was learned during the weekend.

Walton and Theodore Skolko were discharged in February "in the interest of harmony," Madison and Venice Democratic leaders said the firing occurred after they rejected a demand by Musso that they support Anthony V. Daily instead of Dick H. Mudge Jr. for the state's attorney nomination. Mudge received the local official support and defeated Daily in April.

Auto Damaged On Lot

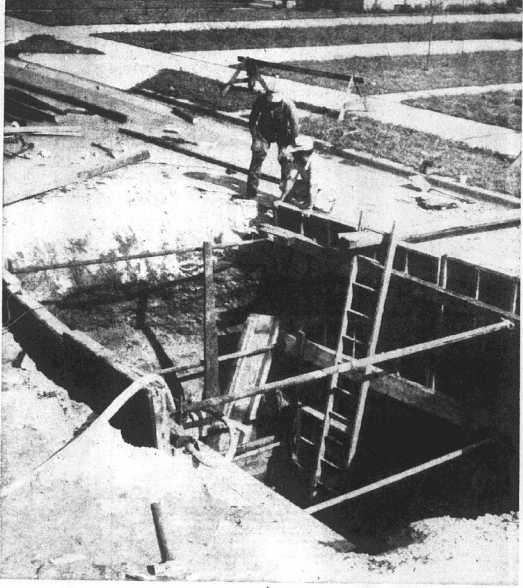

A hit-and-run car damaged the left rear bumper and bumper of the parked auto of Eddie R. Johnstone, 39, of 1302a Oriole street in Venice, as it parked in the 400 block of Broadway between 8:30 and 10 a. m. Saturday.

Sidewalks Parked Car

The right front of the eastbound auto of Nathan Johnson, 2038 Iowa street, sideswiped the left side of the parked car of William Drew, 2212 Richmond avenue, on 20th street near Milwaukee avenue at 11 a. m. Saturday. There were no injuries.

Arrest Follows Mishap

John Pryor, 62, of 1020 College street, Venice, was arrested for having no driver's license after his auto collided with the car of Graham Williams, Decatur, in front of 1027 Bissell street at 10 p. m. Thursday. He was released on a cash bond.

COLLAPSE OF PAVEMENT on St. Clair avenue between Buxton and Marshall avenues occurred after a sewer line beneath the street broke. It was necessary to enlarge the excavation showing up the sides to enable the repair to proceed safely more than 15 feet below the surface.

Street Collapses As Sewer Pipe On St. Clair Breaks

An aerial view of St. Clair avenue between Buxton and Marshall avenues Friday noon shows either a bomb crater or an elephant track prior to adding the camouflaging.

A 15-inch sanitary sewer line beneath the street apparently broke Thursday morning, when quantities of the tan earth were washed through the pipe, the asphalt pavement collapsed. Granite City police were notified and quickly had the street blocked off to traffic.

Some 24 hours later, mud-spattered workmen clad in hip boots and overalls had the hole deepened to between 15 and 18 feet, and at street level the excavation was a gaping 26 feet long by 12 feet across. Water standing at the bottom was high, too.

A gasoline engine slowly but steadily pumped sewage out of the hole and onto St. Clair avenue, from where the water drained away into the city's sewer system.

At Pearson, city resident engineer in charge of retaining the break, said today a temporary repair had been made to facilitate sewage disposal in the area until permanent repairs could be completed.

Declining to comment on when normal service would be returned to the area and the excavation filled, Pearson said a rising water table has hampered repair operations.

Cause of the break has not been determined, but a nearby resident said he had complained.

Field Work 80% Complete In Survey Of GC Drainage

Field work is 80% complete in the engineering survey for a master stormwater drainage program, Engineer Edward N. Juneau said Friday in submitting a progress report to the Citizens Sewer and Drainage Committee.

The work is being carried out in connection with preparation of a comprehensive drainage report by Sheppard, Morgan and Schwaab engineering firm, which Juneau is local engineer. Financed by a Federal grant, the survey will show what type of sewer construction program is needed.

Photogrammetric engineers have submitted five copies of negative prints from aerial photographs, which are expected to be received by the Sheppard firm by July 22. Juneau said the citizens group, which met at the YMCA, Chairman G. W. Holscher presided.

"At this time, we have completed the investigation of 619 manholes in the present combined sewerage system," Juneau said in the progress summary. "To assist our field survey parties in this investigation, a check list of 29 items was prepared."

Accurate Measurements
"In order to furnish topographic maps, made from aerial surveys, of the fringe area of the city (approximately 6000 acres), accurate horizontal and vertical

control measurements must be taken by field survey parties over the entire perimeter as well as the interior of the area to be surveyed.

"We have completed the necessary vertical control (elevations) over the entire area. Our progress on base lines (horizontal control) is 85% complete.

We expect to supply the Survey Corp. with this information on Tuesday, July 12. The perimeter of the area covered by this survey is approximately 22 miles.

"The topographic map made from an aerial survey and based on the horizontal and vertical control furnished by our firm is to be delivered to us complete by Aug. 22.

Elevations 40% Ready
"The plotting and computation of elevations is approximately 40% completed. A work sheet showing a portion of the elevations as plotted is submitted herewith for your review," Juneau's report concluded.

The inspection check list being used in the field survey includes the manhole number, sewer line designation, the date, name of the inspection crew, height, width of pavement, type of street surface, radius of curb at intersections, location of manhole cover, condition of manhole cover and frame and the

Two Captured In Burglary, Picnic Theft Is Solved

Two Boys Admit Station Burglary

A burglary reported Thursday at Andy's service station, Broadway and Market street, was solved during the weekend with the arrest of two teenage boys. Venice police reported. Signed statements admitting the break-in were obtained.

A Madison boy, 14, was arrested Saturday and will be referred to the Venice police department's juvenile officer.

His companion, a 17-year-old East St. Louisan, was apprehended Sunday morning and was held on a charge of burglary and larceny. He was released without arraignment pending a conference between the police and his parents.

About \$30 in coins and bills was reported missing in the burglary, during which a window was broken and an interior door forced open. The boys said a lesser amount was obtained.

Bids Being Sought On Storm Sewer In Glenview Area

Construction of a stormwater drainage line for the Glenview area has been approved by the East Side Levee and Sanitary District board. It was announced today. Bids for it and the proposed new Madison drainage system are being sought simultaneously.

Bids on both projects, which are to be included in the same bond issue, will be opened Aug. 19. They will be received at the board offices, 2642 McCasland avenue, East St. Louis.

Construction of the Granite City sewer, called Project 15-H, will use 42-inch to 48-inch diameter pipes in the 2230-foot abandoned Illinois Terminal Railroad right-of-way and proceed north along the south line of Glenview Additions 1, 2 and 3, and then east to the southwest corner of lot 137 of Glenview Addition No. 7.

His Bridge Railing

Walter Worth, St. Louis, was arrested for careless driving at 8 p. m. Sunday after the right car fender and grille of his car hit a railing at the top of the Venice approach to the McKinley Bridge. He was released on bond.

Weekend Rain .85-Inch

With .85-inch of rain falling over the weekend, the total rainfall for the month stands at 2.05 inches, the district lockmaster reported today. He recorded 10 as of Sunday morning and .75 this morning, from the last 24-hour period.

Waits 24 Hours Leave

When the building was dark, Garner said, he unlocked the door and came into the hall. Finding the other room locked, he entered it through the transom. Inside, he broke open two metal lockers containing the money.

After stuffing all he could into his pockets, his shirt and two money bags, the youth returned to the first room and left through a window. One of the money bags, containing dimes, was abandoned at this point.

Garner took the money to a friend's home in Madison, left it there for safekeeping and returned home. Next day, the youth returned for the money, and the two went to the friend's father's home in Granite City to count and divide the loot.

Divide Currency

Garner said they divided \$80 in currency between them and handed the rest, about \$85 in change, in the floor of the garage. Garner said this was the first time they had counted the money. About \$1200 had been reported stolen.

Garner said he had his friend take him to a St. Louis bus station, where he bought a ticket and boarded a bus to Jacksonville. There he registered at a hotel under an assumed name, had police, remaining "a few days."

The money was stolen in Florida, Garner reported, when someone entered his room while he was taking a shower. He reported.

Youths, 17, Are Caught After Chase; One Had Taken Loot To Florida

Two wild footpaces punctuated with gunfire ended in the capture and arrest of two local youths early Friday morning, as an attempted burglary at Toby's lounge, 1539 Madison avenue, was thwarted by fast-running Granite City policemen.

One of the captured youths admitted to Madison police Friday that he had taken between \$800 and \$1200 in picnic receipts stolen from St. Mary's school last June 20, divided the money with another youth and then went to Jacksonville, Fla., where he remained until returning Thursday.

The boy's share of the loot, about \$400, had been stolen from his hotel room in Jacksonville, he told police.

Robert Eugene Garner, 17, of 1235 Washington avenue, Madison, who admitted the St. Mary's theft, and Larry William Frazier, 17, of 2319 E. 24th street, were arrested about 3 a. m. Friday after hearing from an upstairs window of Toby's lounge, and then being run down by patrolmen.

Several shots were fired on the run at the youths as they made their desperate dashes for freedom. Neither was hit.

A report of subjects acting in a suspicious manner behind the Carnegie brought Granite City police to the scene, and when sounds were heard inside the school, a second patrol car was summoned.

Leap From Windows

Garner leaped from a window on the Madison avenue side of the building, ran south on 16th street as police, noting evidence of a forced entry, tried to contact the building's owner. Police chased the fleeing youth to 1235 Washington avenue before overtaking him.

Before Garner could be returned to the scene, Frazier leaped from the same window and ran north on 16th street and into a field near State street. He was flushed from the field by police taken in the 1600 block of Edison avenue.

Madison police later questioned Garner and secured a written statement on the St. Mary's school theft. He had been one of several suspects since authorities thought the building had been the scene of the picnic in the company of other boys, and had then gone to the school.

Garner told police he thought of stealing the picnic receipts after noticing a flow of men entering the building on the northwest side of the school building on the second floor. He thought the men were of another youth to boost him through a transom into a nearby classroom, where he hid until about 3 a. m. "When I heard the noise stop," the other youth had refused to taken part in the actual theft.

When the building was dark, Garner said, he unlocked the door and came into the hall. Finding the other room locked, he entered it through the transom. Inside, he broke open two metal lockers containing the money.

After stuffing all he could into his pockets, his shirt and two money bags, the youth returned to the first room and left through a window. One of the money bags, containing dimes, was abandoned at this point.

Luncheon Today For YMCA's Youth Conference Delegates

A "Bon Voyage" luncheon for Miss Pat Mega and Ronald Randall, the Granite City YMCA's delegates to the YMCA World Youth Conference and European tour, was held at noon today in the large auditorium at the YMCA with Mrs. C. E. Townsend, chairman of the YMCA teenage committee, in charge.

Randall, the son of Mr. and Mrs. Ernest E. Randall, 2721 Michigan avenue, is one of 206 youth delegates to the conference, which convenes in Amsterdam, Holland, on Aug. 4. Miss Mega, the local YMCA teenage director, is one of 30 leaders who will accompany the United States conference delegation. She is the daughter of Mr. and Mrs. Mike Mega sr., of 2646 Lincoln avenue.

Randall leaves by train this afternoon for Montreal, Canada, the port of embarkation for the delegates. Miss Mega will fly to London.

Lost Purse Is Found

A purse containing a watch, \$10 and valuable papers was lost yesterday at Wilson Park by Mrs. Wanda Harris, 2913 Warren avenue, who later reported that someone had found it and brought it to her home before she had completed her search at the park.

Vandal Damages Car

Vandalism in the 1100 block of College street was reported to Venice police Thursday night. The back window was broken and all four tires were cut by the parked auto of Andrew Jones, Eagle Park.

Douglas Talks Here On Minimum Wage, 'Waste'

U. S. Senator Paul H. Douglas (D), in his campaign for reelection, rode into the Quad-Cities Friday afternoon and before a throng of incoming and outgoing workers at Granite City Steel's main entrance gate proceeded to oppose the Republicans and "wasteful" spending by the armed forces. He extolled the rights of all employees to a minimum \$1.25-an-hour wage law in the first of two addresses here the same day.

Prior to the short, vigorous speech, the martial sounds of "Dixie" and the "Marine Hymn" came blaring from his sound truck, a sleek station wagon parked across the street from the entrance gate. Meanwhile, the Illinois senator, an ex-carmaker and 12 years a legislator, was busily pumping the outstretched hands of all comers.

A little girl reluctant to leave after losing her tiny hand in the massive but gentle senatorial grasp said to her impatient parents, "I wanna hear his speech."

They left with the child.

Later with microphone in hand, Douglas warned to his task. He told scattered groups that the Democratic Party is the "party of the people." He roundly endorsed all the Illinois Democrats running for election this November, and — almost as an afterthought — said that he, too, would appreciate the continued support of the people.

After brushing the opposition party aside, Douglas remarked that it is gratifying to see such apparent harmony between Granite City Steel's unions and management. He added that over the years, it has been the Democratic party's aim and his fight to increase the hourly wage of workers. A \$1.25-an-hour minimum wage law can be seen in the near future, he asserted.

60-Cent Items For \$20

Turning to the subject of armed forces spending, the senator, an ex-farm boy from Maine, pounded home with examples of the "fool losses" expenditures. He cited instances where articles costing no more than 50 cents were purchased by armed service groups at \$20.

"A stop must be put to this disgraceful squandering of hard-earned taxpayers' money," the senator said, ending his talk amid ripples of applause.

For a talk an hour later at Niedringhaus and Edison avenues, the senator arrived eight minutes late. Five people were waiting for him, but the group grew to nearly 30 as the talk progressed.

The traffic rush hour was underway at the city's busiest intersection when the Senator's white station wagon rolled onto Tratter's parking lot.

Crowd gathers

The white-haired, shirt-sleeved senator was out of the car in a flash, and an assistant quickly connected a hand microphone. Without a moment's hesitation, the senator began speaking and the people began gathering.

His voice, magnified by four loudspeakers atop the station

wagon, echoed off the YMCA and Granite City Steel Co. office building.

While the standing audience remained relatively small, snatches of his talk were heard by hundreds, perhaps thousands, of passersby. Motorists stopped to listen and were "honked" into moving by long strings of other motorists.

Office workers and downtown employees on their way to banks to cash checks stopped to listen both before entering the bank and upon leaving. Others, too intent on other things, walked right by without looking up.

"The Democratic party is the party of the future. It's the one that's pressing forward," Douglas said.

He told his audience, "It's the Democratic party that is trying to pass a bill for medical and health care for the aged. The Republicans are opposing it. So are the manufacturers' association and the medical society. . . . but not all the doctors in the medical society."

Passed First Wage Law

The senator added it was the Democratic Party that passed the minimum wage law in 1938. "It started at 25 cents, and we were told it would be a hardship, and force industry out of business. It went up to 40 cents, then to 75 cents and in 1935 was raised to a dollar. I don't think it has worked a hardship on anyone."

"Now we're trying a progressive plan over a period of years to increase the minimum to \$1.25. Not in one jump, but first to \$1.10, then \$1.15, then \$1.20 and to \$1.25."

"We also want to extend the coverage to girl clerks in dime stores, to chambermaids, dishwashers and to busboys in those fancy hotels; to cover all persons with low wages."

"The Democratic Party has been criticized for spending money too freely. We believe in spending — for education and health purposes."

The senator pointed out that a Democratic Congress has cut the president's appropriation by millions of dollars over the past several years.

"The Republicans said they were going to introduce business methods, but they haven't halted waste."

Urges Competitive Bids

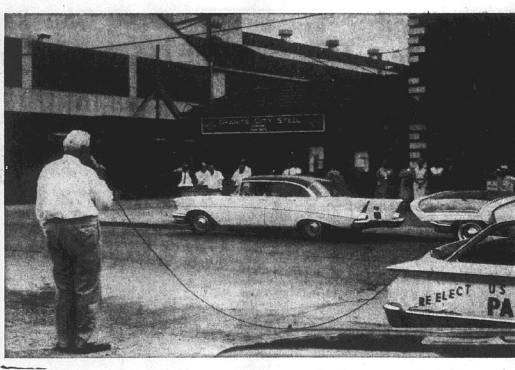

Sen. Douglas said there are now "too many negotiated contracts with favorite firms rather than calls for bids. . . . too much waste in military spending."

He called upon an assistant to hold up a board on which were mounted small tools and other items.

"Here's a small light socket," the senator pointed out. "A hardware dealer in Pinckneyville told me he could buy them for 11 cents apiece. I had it appraised at 25 cents. The Navy pays \$21.10 for one."

"We Democrats believe in human welfare and eliminating waste."

He spoke briefly on other issues, saying he is strongly op-

Propose Bids Sought

Bids are being sought by the Madison County Housing Authority for supplying about 473,000 gallons of propane gas to various public housing projects operated by the authority. It was announced today by D. F. Branner, executive director. Deadline for receipt of bids at the MCHA office in Madison will be 11 a.m. July 28.

posed to Communism. He added that the rate of the country's economic growth has slowed down under the Republican administration, and that it is the Democrats' aim to improve the condition.

Closing his speech, the senator called for questions. "Here I am on this parking lot. I can't get away. Ask me anything you want."

When asked what he thought of the president's action in the Cuban incident, Sen. Douglas replied, "There was no excuse for Castro to have gone as far as he did. There was nothing else the president could have done."

A man in the audience asked if the senator thought the Russians should be permitted to operate bases in the Western Hemisphere. "We can't permit them to do that," he replied.

The senator would not be pinned down on a single candidate he would support for the presidency. "We have a lot of good one available," he remarked.

Rotary Plans 2nd Annual All-Western Horse Show

The second annual all-western horse show sponsored by the Granite City Rotary Club will be held Aug. 28 in an arena to be built at Felling and Nameoki roads, general chairman and horse-fancier B. E. Moody has announced.

The Sunday afternoon show will begin at 1 p.m. and continue until judging has been completed in 11 classes. Last year's show, which also was sponsored by the Rotarians and directed by Moody, raised nearly \$1500 for Rotary charitable projects, and drew an estimated 2500 spectators and 135 entries from Illinois, Missouri and surrounding states.

The show ring and arena will be nearly identical to last year's facilities, with seating accommodations furnished for spectators. The classes planned for this year's show include Morgan horse, spotted horse, Palomino, registered quarter-horse, reining horse, speed horse, gentlemen's pleasure class, parade horse, and hand horse, plus junior horse-ship and a flag.

Horsemen interested in obtaining further information and entry blanks for the one-day event may contact Moody by writing the show chairman in care of Box 371, Granite City.

Hagnauer Faces 22 Batters In Near-Perfect Classic Loop Mound Performance

Nelson "Nellie" Hagnauer came within an eyelash of hurling a perfect game in Thursday night Classic Softball league play at Wilson Park as he faced only 22 batters in seven innings and pitched Spengler Oil to a 3-0 decision over Millie and Mickey's. The Ravens downed American Legion Post 113 in a wild, loosely-played second game, 15-9.

Hagnauer walked no one, struck out six and had retired 12 straight batters before Charles Johannmeier bounced a pitch to deep short in the fifth. Spengler Oil first baseman Gene Grace dropped the throw, but the official scorer ruled that Johannmeier would have beaten it anyway, and Hagnauer lost his no-hitter.

He then retired the next nine batters he faced. Spengler Oil, in handling Millie and Mickey's first defeat of the regular Classic league season, bunched five of its nine hits in the first two innings for three runs.

With two gone in the first, Art Borchers wound Leo Six for a home on balls. Jack Scarbrough

and Walt Wilson followed with singles and a shortstop error allowed Borchers to score from third. In the second, Mark Brokaw led off with a triple and Hagnauer took a hand in winning his own game by singling across run No. 2. Two outs later, Borchers singled and Hagnauer scored when he threw to the plate from right field was wild.

Six, a victim of uncertain support in the field, struck out five, including the side in the first, and issued only one free pass, which came back to haunt him in the first. The game was played in just one hour and five minutes.

The battle involving the Ravens and Post 113 was "Classic" in name only. The Ravens scored four runs without benefit of a hit in the third inning, and added four more on only two safe blows in the fourth, when 11 men batted.

The game totals showed a combination of 10 errors, two passed balls, 17 walks, four hit batsmen, and 10 wild pitches. Norm Kotter got credit for the win, and Fred Harris was the loser.

Na-Bor-Hood Pals Win In 'B' Loop Play

Na-Bor-Hood Out Rate Liquors made only three hits good for three runs, all of them unearned, in turning back the Moose club 3-2 in park district Class "B" Softball league play Friday night at Wilson Park. In the second game the Pals, behind the two-hit pitching of Mike Schuler, downed the Graniter's 7-3.

Moose Club took a 2-0 lead in the second inning of the first game. Jess Ybarra and Bob Morris put together back-to-back infield hits, and a shortstop error landed the bases. Darrell Pirie was then hit by a pitched ball, forcing in one run and losing pitcher Neil Melton hit a sacrifice fly to left which scored Morris.

Winning Pitcher Bill Pavlar shut out the Moose the rest of the game. Na-Bor-Hood picked up one run in the bottom of the second on Adrean Rays' lead-off double and a throwing error on Melton.

The deciding rallies came in the fourth when Yern Willis drew a base on balls. Rays followed with his second straight hit, which went as a single, and both runners scored. The Moose rightfielder played the ball into a three-base error.

Schuler pitched five innings of the Graniter's finally getting to him for both their hits and three runs in the top of the sixth. Schuler got himself in trouble by walking two, and then Larry Martin doubled to plate both runners and scored them. Bob Hillard's single up the middle.

The Pals had scored one in the first on Jim McKechna's double to left, an error and Schuler's sacrifice pop fly. They added two in the fourth on successive singles by Schuler and Bill Morris, coupled with a walk, stolen base and error.

The winners made it 5-0 in the fifth on Paul Mobey's single, a sacrifice double by Schuler and single by Morris. The final two rallies came in the sixth when Pat Batters, Harold Elkin and Mobey solved Lord Buckingham's style and cracked solo home runs. Buckingham gave up nine hits.

Rain Washes Out Area's Weekend Sports Events

Rain took a heavy toll of outdoor sporting events scheduled over the weekend in this area. Saturday night events which were washed out included the Mathews Chevrolet Post 118 Junior American Legion's softball game with O'Fallon and an exhibition girls' softball game at Wilson Park. All Inter-City games yesterday were postponed, including a doubleheader at Wilson Park between Sacred Heart and Troy and a single game matching Mercer and McAttee's Glass in East St. Louis. Also on the rain casualty list were five games the Sunday morning National Softball League. McAttee's Buick defeated White City 3-2 in 12 innings Saturday night in the only I-O game which got into the record books.

Five Arrested After Fight In Car On Bridge

Five St. Louis men were arrested by Venice police at 3:53 p.m. Saturday after a fight in an auto which began in St. Louis, continued on the McKinley Bridge and ended in Venice. The bookies were James C. Johnson, 31, fighting, peace disturbance and making a fictitious report; Connie Nunnity, 26, fighting, peace disturbance and disorderly conduct; John E. Gatewood, 21, disorderly conduct; and Clinton Patton, 39, disorderly conduct. They were released on bond pending hearings.

Suburban Moves Up In Baptist Loop

Suburban Baptist moved into second place to win a half game of the leaders in the Baptist Slow Pitch Softball league Thursday night with a 4-3 win over Grace and a follow-up 2-18 decision over Second Baptist at Wilson Park. Suburban came from a 2-3 deficit in the first game in the first of the seventh on a single by Jim Blaylock, Ray Fisher's one-base knock, a force-out, and Phil Thebeau's double, which eluded the Grace centerfielder and allowed the tying and winning runs to score. Winning Pitcher Paul Hopper allowed eight hits, and loser Rick Lyons took the loss. Blaylock kept his safely twice, and Thebeau and George Cook both had doubles. Suburban, which has a 6-2 record as compared to league-leader Grace Baptist's 6-1, has a 4-1 record. Horne homered for Grace, and Bill Colyer and Jim Roller each went 2-for-3 for the losers. The second game was a direct contrast to the first, with Suburban soaking 26 hits and Second Baptist 21. John Smith went six innings on the mound for Suburban, with Hopper finishing up. Glen Gaskill, who pitched the final four frames for Second Baptist, took the loss. Rev. W. L. Shovers, the Second Baptist starter, had three hits, including two doubles. Duane Burnett drove in six runs in a losing cause with a 4-for-5 evening which included two homers. Tom Reiche had a pair of doubles and Clarence Hoffman and three hits for Second. Phil Thebeau and Bill Crabtree homered for the winners; John Smith, Bob Yeager and Bruce Miceli each hit doubles, and Yeager added a triple to Suburban's attack. Tomorrow night, Second Baptist will meet Grace and First Baptist will play Calvary, while third-place Meadow Heights is matched against Suburban in a Single game Thursday evening.

Disturbance Arrests

Donald Lyons, 27, of 2123 Washington avenue was arrested for creating a disturbance, resisting arrest, profanity and drunkenness and Betty Lyons, 26, of the same address was charged with creating a disturbance and creating a tavern at 20th street and Washington avenue at 11:05 p.m. Saturday. They were released on cash bonds to appear this week.

Barnes, Moss Play In Louisville Net Invitational Meet

Mike Barnes and Dave Moss, young Granite City tennis players, left today for Louisville, Ky., where they will compete in the week-long Louisville Invitational Tennis Tournament.

Barnes will play in the boys' 15 and under doubles bracket with a St. Louis partner, and Moss will compete in the junior division for boys 18 years of age and under in both singles and doubles.

His doubles partner will be Jim Parker of St. Louis. The pair also qualified for the national junior finals the following week by reaching the semi-final round of the Missouri Valley Junior Tennis Championships at Omaha, Neb., last week. Parker won the boys' singles title at Omaha.

Gay Mueller of Granite City also will compete in the girls' nationals in doubles with Mary Ann Eisel. Miss Mueller was second in the consolation finals of the girls' 15 and under singles.

Ivan Ropac Sr., 72, Dies Of Heart Ailment

Ivan John Ropac sr., 72, of 424 Iowa street, died of a heart ailment at 4:30 a.m. today at St. Elizabeth Hospital. He had been ill three weeks and a patient two days.

Born in Yugoslavia, Mr. Ropac had been a Granite City resident since 1923. He was retired from the Granite City Steel Co. open hearth division after being employed there 37 years.

A member of St. Joseph's Catholic Church, he also was a member of Lodge Rajski Glas 250, Slovene National Benefit Society, the Sigma of St. Louis and United Steelworkers of America.

He is survived by his wife, Mrs. Helen Gasparovic Ropac; a daughter, Mrs. William (Anna) Mercer; two sons, Steve and John F. Ropac, all of Granite City; two sisters, Mrs. John (Helen) Ropac, Toronto, Canada, and Mrs. Clara Benich, Yugoslavia; a brother, Nick Ropac, Yugoslavia; and two grandchildren.

Funeral arrangements are given in today's obituary column.

GC Men Sentenced, Placed On Probation

Circuit Judge James O. Monroe Jr. sentenced one Granite City man to a two-to-three year prison term and gave another two years' probation Friday in Edwardsville.

George Merrell, 20, was sentenced to two to three years at the Menard penitentiary after pleading guilty to burglary and larceny of over \$100 worth of household goods March 26 at a residence in the 2200 block of Missouri avenue.

Curtis Ray, also of Granite City, who was indicted with Merrell, is still listed as a fugitive.

Charged with armed robbery of the J & M Confectionery, 1801 Edison avenue, May 5, Ralph E. Clutts Jr., 18, Granite City, was given probation after he had made restitution for the \$52 stolen.

In the final case Friday, arraignment was held for Eldon Eugene Keel, Granite City, who is charged with armed robbery.

Corey Tosses Four-Hit Shutout As Post 113 Downs Freeburg Thursday

Mathews Chevrolet Manager Joe Summers unveiled the fourth starting pitcher to be used by the Post 113 Junior American Legion baseball team Thursday evening, and Larry Corey responded by tossing a tidy four-hit shutout as Mathews downed Freeburg 7-0 on the losers' diamond.

It was the fourth shutout turned in by a Post 113 hurler this season and moved the winners one step closer to the title in the northern division of the 22nd district league. Mathews now has a 9-3 record and is in first place.

Post 113 broke out the big bats in the fourth inning after scoring an unearned run in the first to take a 1-0 lead.

Featured in the deciding fourth frame were six hits, including triples by Grant Takemajan, Tony Mance and Bob Hoffke, a double by Vic Buehler and singles by Don Dillard and Pat Schuman. Corey rolled along, showing excellent control as he walked only one and struck out eight.

Freeburg starter and loser

Gene Moore was somewhat less effective, walking four and allowing 10 hits, the high water mark for the Granite City team this season. Two Post 113 runs were unearned as the result of three Freeburg errors.

Larry Diak opened the local scoring in the first when he walked and then scored on an infield out and error. After the big third inning, a walk to Mance to open the fourth, two infield outs and Dillard's second base hit got another run across.

The final Post 113 tally came as the result of a walk and three-base error in the sixth.

Each of the four hits Corey allowed went for only one base, and no Freeburg runner was able to advance past second.

Post 113 will continue its season with a 6 p. m. game with Mascoutah here tomorrow.

Three Fined During Hearings In Venice

During hearings Saturday, Venice Police Magistrate Wesley Edwards fined Robert Tabacchi, St. Louis, \$65 for disorderly conduct, resisting arrest and trespassing on railroad property; Sidney Evans, St. Louis, \$20 on improper parking and drunkenness; and William Garrett, 123 Lee Wright Homes, \$20 on peace disturbance July 6 and July 4.

Charges against the other two were filed Saturday. Tabacchi was captured by police while running across railroad yards after persons in the Showboat tavern, 400 Main street, said he put a handkerchief around his face. He fled when a robbery report was telephoned to police.

Fined For No City Tag

A. J. Parker, 25, of 2037 Beck with avenue was fined \$5 and \$5 court costs Saturday at a hearing before Justice of the Peace Louis Kimer on a charge of failing to have a Madison city auto license. He was arrested Thursday.

Two Captured In Burglary

(Continued from Page 1)

turned here July 7, after wiring his mother for money to finance the trip. Checking the cache in the garage, Garner said this is now missing, too.

Madison police are continuing their investigation of the money placed in Garner's friend's home, his friend's father's home in Granite City and the missing money. The evidence is to be compiled and submitted to the grand jury.

Fingerprints Match

Fingerprinting of Garner and other suspects sent to the Federal Bureau of Investigation laboratory for comparison of latent prints taken in both classrooms today confirmed Garner's presence in the rooms, Madison police reported.

Bond of \$2000 has been set for Garner, on a charge of burglary and larceny filed by Assistant State's Attorney John Gitchoff Saturday. A preliminary hearing before Justice of the Peace Louis Sam Kismar was waived, and Garner was bound over to the grand jury.

Garner had been living with his parents, Mrs. Opal Eck and his stepfather, Tony Eck, 1325 Washington avenue. The youth dropped out of Madison high school as a freshman, after being graduated from St. Mary's grade school.

Pradier, captured with Garner, has been served a state warrant charging burglary.

Whiskey Cash Taken

A burglar entered through an unlocked cellar door, broke a window and forced open a hinged door to obtain a haul of whiskey, cigar lighters and \$86 in cash from Moran's tavern, 2100 Adams street, Thursday night or Friday morning, it was reported to Granite City police.

The loot consisted of an undetermined amount of half-pints of whiskey and vodka; seven or eight quarts of whiskey; three or four cigar lighters; and the cash, all in denominations of \$10 or less.

\$27 Reported Stolen

Checking a window Friday afternoon on the west side of the Guarantee Electric Co., 15th street and Grand avenue, that looked as if it might have been entered, Otis Hettich discovered an open cash drawer and a theft of \$27 in bills of unknown denominations.

The theft had apparently occurred some time after July 1, Hettich told Granite City police. No change was taken.

Yenkee Store Entered

A burglary occurred some time Sunday morning at the store of Curtis Jenkins, 213 Weaver street, Venice, police were notified at 10:30-30, Sunday. A door was forced open by prying off the lock, and the intruder took \$1 in nickels and 80 cents in pennies, as well as several old coins.

\$2 Bills Stolen

Someone took \$43, mostly in \$2 bills and silver dollars, from the home of Emerald Daves, 17 Terrace lane, between July 2 and today, it was reported to Granite City police at 12:06 a. m. today. The family was on vacation.

Part of the money was taken from a metal box and part from another container. There was no sign of a forced entry.

Several items were reported stolen from the trunk of the auto of Darrell Hamilton, 2202 East 25th street, while it was parked in a lot in the 2200 block of Madison avenue about 8:38 a. m. today.

The owner told police the locked trunk had been opened. Missing were a tire and wheel, air compressor, one-ton hydraulic jack, 12 railroad fuses, three emergency road reflectors and flags and a fishing tackle box.

Two pairs of eyeglasses and a flashlight were stolen from the unlocked auto of Bill Eckstrom, 1513 Second street, Madison, while it was parked in the 700 block of Main street yesterday.

Recover Washing Machine

Acting on an anonymous tip, fast-working Venice police figuratively found the "needle in the haystack" Thursday. In this case the needle was a seven-month-old washing machine, valued at \$200, which had been reported stolen by owner Samuel

Charged With Taking Liberties With Child

Edward J. Crowell, 39, of 203 Kirkpatrick homes, was charged Saturday with taking indecent liberties with a minor. He was taken to the county jail last night.

Crowell was arrested at 11:38 p. m. Thursday after allegedly molesting a 12-year-old girl that night.

He waived a preliminary hearing and Police Magistrate Gasparovic set bond at \$5000 Saturday.

There is enough living sawtimber standing in California forests today to build \$5 million new houses.

Disturbance Charge

Robert Hawk, 49, of 1829 Grand avenue, was released after paying a \$10 fine and costs today after pleading guilty to creating a disturbance. The complaint was signed by Louise Hawk after a disturbance at 1827 Grand avenue at 11:12 p. m. Sunday.

Fined On Parking Charge

William Favier, 28, of 2128 Edison avenue, charged July 6 with blocking a driveway in the 800 block of Iowa street, Madison, with a parked auto, was fined \$5 and \$5 costs at a hearing Saturday before Justice of the Peace Louis Kismar.

Two Firecracker Reports

Granite City police received two reports yesterday of boys setting off firecrackers. They were summoned at 4:20 p. m. to the 2100 block of Edison avenue but could not locate the group. At 8:56 p. m. Sunday, the police went to the Westchester subdivision and reprimanded boys who had been playing with fireworks.

City License Arrest

Robert G. Lowe, 20, of 4207 Maryville road, was arrested by Granite City police at 2:10 a. m. today at 20th street and Madison avenue on a charge of having no city auto license. He posted his driver's license and was released until a hearing.

Many Changes In Proposed New Budget For City Of Venice

While the \$328,136 figure shown on the 1960-61 budget proposed by the Venice City Council is only slightly more than last year's \$306,353 budget, there are many changes within the budget. The 1959-60 city spending totaled \$302,451.

The 1960-61 budget difference—expected to be increased by \$20,000 for a Venice library addition before the budget is considered for adoption July 15—includes departmental increases amounting to \$40,522 and departmental reductions totaling \$37,740.

Budget increases include \$11,125 for garbage collection, \$5850 for sanitation and health, \$5000 for sidewalk construction and repair, \$4600 for the city hall, \$4400 for police supplies, \$2460 for police salaries, \$1500 for the fire department, \$1200 for city officers, \$800 for the law department, \$800 for the Illinois municipal retirement fund, \$500 for insurance, \$500 for sewers, \$500 for civil defense and \$50 for auditing. Decreases shown are \$100 in the library account (before inclusion of the construction project), \$5000 for contingencies, \$2500 for contingencies, \$500 for the pumping station, \$450 for the library interest and \$190 for streets and alleys.

The \$66,555 difference between 1959-60 spending and the new budget currently on first reading represents increases totaling \$77,282 and decreases amounting to \$10,626. The cuts are \$6920 for streets and alleys, \$450 for library bond interest and elimination of \$2207 for judgment liability, \$584 for arterial street maintenance, \$250 for a property purchase option and \$206 for the city pumping station.

Larger Garbage Staff
Proposed increases over last year's spending are \$18,178 for garbage collection, including an increase in the size of the staff to 3740 for sanitation and health, \$8170 for the city hall, \$6641 for police supplies, \$5919 for the library, \$5620 for police pensions, \$5000 for sidewalks, \$3049 for city officers, \$2813 for contingencies, \$2500 for contingencies, \$2128 for elections, \$1929 for the

fire department, \$1002 for the law department, \$1000 for civil defense, \$782 for lighting, \$740 for insurance, \$736 for municipal retirement, \$542 for water, \$500 for sewers, \$309 for printing and \$15 for auditing.

United Fund Agency

CYS Aids In Overcoming Behavior Problems

For the one child in ten who has an extraordinary or potential emotional problem, the Co-ordinated Youth Services, a United Fund-supported agency located on the first floor of the Granite City city hall, serves as a boon to the child, family and the entire Quad-City area.

In terms of finances, the CYS in a sense helps save parents, the city and the state over a million dollars a year. For if each of the 84 boys and girls counseled in 1959-60 had been sent to correctional institutions the cost would have been \$1,052,000.

Instead, the CYS operates on a budget, sustained solely by contributions to the United Fund, just over \$17,000, of which goes into salaries for the full-time staff of three.

The figure of one in ten means that probably one member of every Khoury or Little League baseball team, three children in every classroom, a couple in every block have behavior problems and the seeds of possible emotional disturbance.

Mrs. Marian Kirby, director of CYS, explains that its purpose is to unlock these seeds before they become too large to handle for the youngster to cope with, mainly by interpreting the child's problems and then suggesting to him and his parents the means

by which they can be corrected. 95% Overcome Problems

When children are counseled early enough, 95% of them overcome their problems. It was reported by Mrs. Kirby, who has 25 years of experience in social work, with 15 of them in the Quad-Cities.

With the rate of juvenile delinquency between the ages of 10 and 17 up 175 per cent since 1930, the CYS handles many youngsters who have come in conflict with the law and are charged by the police, some as young as 10—some 16—some 17—some 18—some 19—some 20—some 21—some 22—some 23—some 24—some 25—some 26—some 27—some 28—some 29—some 30—some 31—some 32—some 33—some 34—some 35—some 36—some 37—some 38—some 39—some 40—some 41—some 42—some 43—some 44—some 45—some 46—some 47—some 48—some 49—some 50—some 51—some 52—some 53—some 54—some 55—some 56—some 57—some 58—some 59—some 60—some 61—some 62—some 63—some 64—some 65—some 66—some 67—some 68—some 69—some 70—some 71—some 72—some 73—some 74—some 75—some 76—some 77—some 78—some 79—some 80—some 81—some 82—some 83—some 84—some 85—some 86—some 87—some 88—some 89—some 90—some 91—some 92—some 93—some 94—some 95—some 96—some 97—some 98—some 99—some 100—some 101—some 102—some 103—some 104—some 105—some 106—some 107—some 108—some 109—some 110—some 111—some 112—some 113—some 114—some 115—some 116—some 117—some 118—some 119—some 120—some 121—some 122—some 123—some 124—some 125—some 126—some 127—some 128—some 129—some 130—some 131—some 132—some 133—some 134—some 135—some 136—some 137—some 138—some 139—some 140—some 141—some 142—some 143—some 144—some 145—some 146—some 147—some 148—some 149—some 150—some 151—some 152—some 153—some 154—some 155—some 156—some 157—some 158—some 159—some 160—some 161—some 162—some 163—some 164—some 165—some 166—some 167—some 168—some 169—some 170—some 171—some 172—some 173—some 174—some 175—some 176—some 177—some 178—some 179—some 180—some 181—some 182—some 183—some 184—some 185—some 186—some 187—some 188—some 189—some 190—some 191—some 192—some 193—some 194—some 195—some 196—some 197—some 198—some 199—some 200—some 201—some 202—some 203—some 204—some 205—some 206—some 207—some 208—some 209—some 210—some 211—some 212—some 213—some 214—some 215—some 216—some 217—some 218

Quad-Cities Will Have Ringside Seats At National Political Conventions

During the Democratic national convention opening tonight and the Republican convention beginning in two weeks, Quad-Cities will have an opportunity to watch the "greatest political show on earth" from a ringside seat—television.

Only mid-20th century Americans have had the opportunity to be all-seeing witnesses to the historic process by which leaders of the two major parties select their presidential candidates for the quadrennial campaign. While some of the atmosphere of the convention cities may be lacking, home viewers actually will see more of the happenings at Los Angeles and Chicago and learn about key developments more rapidly than the delegates themselves.

Days elapsed before reports of the early nominating conventions were known throughout the nation, and it was not until 1924 that the national political conclaves were extensively covered by radio. In that year, Americans from coast to coast remained glued to their sets, following the dramatic Democratic contest in Madison Square Garden, New York, following the quick GOP renomination of President Calvin Coolidge in Cleveland.

An all-time record was set as first William G. McAdoo and then Alfred E. Smith surged to the lead but remained short of the needed votes for 102 roll calls. With the entire country listening in, it soon became a national joke to quote the familiar words that opened each roll call—"Alphonse, 24 votes; Oscar W. Underwood." By the 103rd ballot, the delegates were in a mood for a "dark horse" and ended the deadlock by nominating John W. Davis.

The unpredictability of the process is one of the reasons they have captured the interest of such a large percentage of the public, along with their obvious importance to the future of the parties and the country. Names of the contenders are different, and the issues have changed with the passing years, but the conventions continue to be well worth the attention of all citizens. Due to improvements in "toping" of television scenes, the conventions should be especially absorbing this year, with something of interest being shown at all times.

National Lobbying Groups Spending At Rate Of Nearly \$3,000,000 A Year

There is much talk about special interests and their influence on government. Some of their persuasion may not serve the public interest, but lobbies often perform a service by informing legislators of the "pro" and "con" of pending bills and issues.

Lobbies undoubtedly are here to stay, and it is generally felt that they should be identified, with their spending made public. This has been required by law since 1946, although no enforcement procedure was set up and the lobbies themselves can decide how much they will reveal to Congress and the public.

Quarterly reports are made, and the latest listing showed \$700,192 spent by 178 organizations. Ninety-two business groups spent \$257,260; 22 labor groups spent \$173,279; 33 citizens' groups spent \$89,053; 10 professional groups, \$89,191; 16 farm groups, \$77,130; and six military and veterans' groups, \$62,778.

The American Medical Association ranked first in the first three months of 1960 with \$32,737 lobby spending, followed by the National Education Association with \$30,948 and the AFL-CIO with \$30,265. The AMA spending was tripled due to general expansion of its Washington office, while the NEA sought extension of federal school aid and the AFL-CIO urged such legislation as an increased minimum wage, aid for depressed areas, health insurance for the aged and federal aid to education.

Other groups spending more than \$15,000 each during the quarter were the Fluorcorp Consumers Committee, U. S. Savings and Loan League, National House Conference, American Farm Bureau Federation, American Steamship Committee on Conference Studies, International Association of Machinists, National Federation of Post Office Clerks, Brotherhood of Locomotive Firemen and Engineers, National Farmers Union, American Tramp Shippers Association, Nationwide Committee of Industry, Agriculture and Labor on Import-Export Policy and AFL-CIO Industrial Union Department.

Organizations not yet reporting their spending by the time of the announcement included the American Merchant Marine Institute, American Legion, Chamber of Commerce, National Association of Letter Carriers and National Association of Real Estate Boards. Still others, such as the National Association of Manufacturers and Veterans of Foreign Wars, do not file the reports on the ground that their principal purpose is not lobbying.

As the work of Congress unfolds in next month's adjourned session, it will be interesting to note the progress of legislation and the identity of each proposal's backers. While not always successful in their efforts, lobbies play a significant role in the work of the legislative branch of government.

New University Playing Increasingly Large Role In Life Of This Community

Formation of a group to coordinate developmental planning is another step toward the permanent establishment of a new university in the bluff area east of the Quad-Cities. Called the Inter-Governmental Union Committee for Planning, the group includes representatives of local area governmental agencies and Southern Illinois University. Its efforts will deal with municipal services, land use, highways and roads affecting the university site.

Another occurrence worthy of note is that meetings affecting the programs already being carried out by the university are being held on the new campus whenever possible. An example of this was a conference last week to plan the next month's of the industrial management program conducted by the industrial and technical education division of the campus in cooperation with local school districts and industries.

Every day, the Southwestern Illinois Campus of Southern Illinois University is playing an increasingly large role in the life of this area. The example of what has already been accomplished in a short time and with limited funds and facilities is added evidence of the beneficial effect the school will have once it is constructed and operating as a full-fledged university.

Firecrackers Still Figure In Accidents

Although the skyrocket season has come and gone, firecrackers figured in two of six emergency cases treated at St. Elizabeth Hospital Thursday.

Steve Hart, seven, son of Mrs. Mildred Hart, 2842 Washington avenue, was treated for abrasions to his upper and lower lip when a firecracker exploded in his mouth.

The second firecracker victim, Velma Spearman, eight, daughter of Mr. and Mrs. Aaron Spearman, 1019 Bissell street, Venice, injured her right hand and was released after x-rays were taken. Phillip Martin, 10-year-old son of Mr. and Mrs. Richard Martin, 4005 Breckenridge lane, was released after treatment for a dog bite on his thigh at 12:35 p.m. Thursday.

A spider bite brought Linda Hunter, three, daughter of Mr. and Mrs. Richard Hughes, 530 Tennessee avenue, to the hospital Thursday. She was released after treatment.

Linda Tucker, 24, daughter of Mr. and Mrs. James Tucker, 2705 Roosevelt avenue, was treated and x-rayed after swallowing a small amount of gasoline Thursday. No ill effects were noted.

30 Attend Picnic For Scout Commissioners

Thirty commissioners and their wives of the Unihav scout district enjoyed a chicken barbecue picnic supper at Wilson Park Thursday evening, led by District Commissioner Bernard Miller. Program efficiency award for the month of June was presented to East Section Commissioner Kipling Pelletier. Miller reminded the group that information is needed concerning the coming July 23-24 cub scout jubilee, boy scout jubilee camp and explorer field day events.

Deadline Tomorrow On Delinquent Property

Tomorrow will be the last day for residents of Granite City, Venice and Chouteau townships to pay 1958 county taxes before an additional 12% interest rate is added to the delinquent amount. County Clerk Eulalia Hotz warned today. The deadline for Nameled township is this afternoon.

Miss Hotz explained that the county treasurer is required to offer at a tax sale all property with delinquent taxes which have not been paid Sept. 1. The action usually is deferred until December or January. Immediately after the sale, the law adds a 12% penalty to the original amount of taxes due, redeemable in the county clerk's office at the courthouse in Edwardsville.

Every six months after the date of the tax sale, an additional 12% is added. When redeemed, the total is refunded to the tax buyer or purchaser. Commenting that the 12% penalty may seem heavy, Miss Hotz said the state legislature has found this method to be the most effective in getting the tax payments.

CAP Cadets Attending Air Force Encampment

Nine cadets from the Granite City Civil Air Patrol squadron departed Saturday morning for Chanute Air Force Base near Chanute, where they will attend a nine-day CAP cadet encampment.

The encampment will include a week of regular military life—lectures on aircraft design, mounted drill, barracks inspection, standing formations, demonstrations of fire-fighting—climax by a special graduation dance at the base service club next Saturday night.

Attending from the Granite City squadron will be Cadet 1st Lt. Tony Winger, 2nd Lt. Sharon Barnett, 2nd Lt. Victor Morrison Jr., Sgt. Tony Baker, 1st Sgt. Robert Toman, Cadet 2nd class Mary Fisel, Cadet basic Betty Pisel, Cadet basic Carolyn Smith and Cadet basic David Morse.

Attends NCO School

Marine Pfc. Ronald F. Wachter, son of Mr. and Mrs. Reinder J. Wachter, 2544 Edison avenue is attending the non-commissioned officers' leadership school at the First Marine Division's School Center, Camp Pendleton, Calif. The four-week course of instruction includes tactics, leadership and basic military subjects.

WHAT IS A PRESCRIPTION?

It looks like an ordinary piece of paper with writing you can't read, get medicines that seem expensive.

Actually, a prescription is a passport to better health. Physicians study about ten years to be able to write one. Pharmacists study about five years to learn how to compound them. Drug firms sometimes spend millions to perfect the drugs in them. The few dollars all this knowledge costs saves you sickness-time and sometimes your life.

YOUR DOCTOR CAN PHONE US when you need a medicine. A great many people entrust us with their prescriptions. May we compound yours?

Dollar for Dollar — the BEST

Anyone can tell the difference and choose the best between a low-priced piano and an expensive one. But to select the best between two instruments costing the same amount takes an expert. The way on instrument looks and sounds will not tell you its real value.

It's the business of Johnson Music to keep informed about the integrity, purpose, and ability of all manufacturers of all brands of pianos and organs. In this way, they KNOW they offer you the best value, dollar for dollar, in every price range. Whether you wish an inexpensive instrument or the finest, buy the best of either type from Johnson Music — offering you finest selection... honest pricing... service after the sale.

Meeting Thursday On Health Dept. Petition Signing

The final step necessary before the proposal of a Madison County health department can be placed before county voters in the Nov. 8 election—circulating and signing of petitions—will be discussed Thursday at a public meeting at 8 p.m. at the Elks' club, 1329 Niedringhaus avenue.

Circulation committees of the

sponsoring group will be selected to supervise the petitioning, for which approximately 6000 signatures, or five per cent of the 117,138 registered voters in the county, must be obtained before the referendum can be placed on the November ballot. Milton Morris, member of the planning committee, has reported that 12,000 signatures are anticipated.

Representatives of all local organizations, labor, social, professional and fraternal, are invited to the meeting to discuss the benefits the proposal will have for their groups, Morris said.

To illustrate the need for better health services for the county,

Orientation Meeting For New C of C Members

A "coffee break-orientation" meeting to welcome 99 new members signed up in the 1960 Chamber of Commerce membership drive will be held Thursday at 10:30 a.m. at the Chamber office, 1830 Edison avenue. Samuel L. Meyer, president of the Tri-Cities C. of C., announced today.

Recruits will be welcomed by the organization's officials, and a short program will explain

the aims, goals and programs of the Chamber, plus the direct services provided members. Coffee and doughnuts will be served at the half-hour meeting.

State Street Mishap

A collision at Market and State streets at 4:56 p.m. Saturday resulted in damage to the left front of the southbound auto of Stanley D. Stokley, 22, of 2450 Benton street and the right side of the southbound car of John J. Stolz, 64, Richmond Heights, Mo. Both had pulled out to go around traffic waiting to turn onto the railroad crossing. Madison police were notified.

SISTERHOOD GATHERING

The Sisterhood met Friday evening at the Dewey Avenue Methodist Church, with Mrs. Mary Greer presiding. The meeting opened with singing, and the devotion, "Disciples in Clay," was led by Mrs. Freda Crawford. During a business session a contribution was made to the building fund, and plans were made for a building fund dinner

at the church Wednesday, July 30. Hostesses were Mesdames Mary Bunn, Joyce Fricke, Virginia Fricke, Alma Burnett and Georgia Bock. Others present were Mesdames Geneva Goleonor, June Crumley, Zetta Hornbuckle, Rose Miller, Clarabelle Humphreys, Beulah Sparks, Julia Hill, Minnie Rowley, Emma Elmore, Elsie Byrd, Alma Davis, Gusta Pendleton, Tennie Webb and Edith Rhodes. Miss Nellie Kimberlin, Miss Barbara Fricke and Cordell and Steven Burnett. Prayers were offered by Mrs. Alma Davis and Mrs. Beulah Sparks. Fellowship consisted of marshmallows holding small 50-star flags.

RETURNS FROM CRUISE

Tadioman Seaman Herbert J. Gillham has returned from a tour of Port Au Prince, Puerto Rico, Haiti and other points. He is serving aboard the USS Albatross, based at Charleston, S.C. The 18-year-old sailor was a City high school and entered the Navy the following month. He is the son of Mr. and Mrs. Arthur Gilliam, 2108 Bryan avenue. Mr. and Mrs. Dan Earnhardt, 2229 Illinois avenue, returned Wednesday from Canton, O., where they had visited for three weeks with their son-in-law and daughter, Mr. and Mrs. Gale Earnhardt, Brent Shackelford.

Enters Home, Arrested

Charles Watts of Venice was arrested for disorderly conduct at 12:30 p.m. Saturday after allegedly gaining access to the home of his uncle, Jesse Watts, at 1211 Logan street. Police said the screens were cut in a back door and a window on the west side of the house, and a porch window was broken, with damage totaling \$25. He was released on cash bond until a hearing July 16.

Shackelford, Earnhardt spent some time fishing with his

MRS. HILL, NEW
HOME BUREAU CHAIRMAN

Mrs. Genevieve Hill was elected chairman for a two-year term at the July meeting of the home-makers of the Granite City Home Bureau. The meeting was held at the St. John United Church of Christ.

Mrs. Norma Jeanne Ross, chairman, conducted the business meeting and read a month's bulletin from the home advisers' office in Edwardsville.

She reported on the home-makers' camp to be held in Jackson, Aug. 9 and answered questions on past camps that she attended there. Mrs. Betty Holt was appointed chairman of this year's camp for the Granite City unit, and reservations can be made with her.

The unit is going to the opera Tuesday evening and will have a backstage tour and dinner if there is enough members to go. Mrs. Edna Miller will take reservations, and the unit members decided to invite the Trio unit and the Isabel Bever unit to accompany them.

The new chairman, Mrs. Hill, and new secretary, Mrs. Loretta Staydubur, were elected for two-year terms. They will be installed Aug. 2 when the new chairman and secretaries of the other two Granite City units are installed.

A tour of the organ works and other plants of interest will be held in Highland Aug. 2, and the unit will attend at a district and hold joint installation ceremonies then.

The chairman announced that the Madison county fair will not have a kitchen sponsored and attended by the Home Bureau this year. The ladies decided to give donations to the county Home Bureau office.

After the business meeting, Sand Prairie 4-H girls served lunch and demonstrated skills they had learned in the past year. The girls presented playlets they were preparing for their annual "fun night" after the luncheon.

Donna Staydubur acted as master-of-ceremonies and introduced Diana Tiedhof and Elaine Tadlock, of the 58ers 4-H group, who presented a reading, "Horse, the Family Pet."

Kathy Hill, Joyce Strotheide, Carol Marti, Donna Staydubur and Carolyn McEwen sang "Grandfather's Clock" with Linda Hlenay as pianist.

A duet on the snare drum and piano, "The Drummer-Boy Boogie-Woogie," was given by Joyce Strotheide playing the drums and Donna Staydubur the piano.

The major lesson of the day was given by Mrs. Ann Tucker and Mrs. Staydubur on "Social Recreation Accessories." Due to the shortness of time, the lesson was brief and instruction on making the accessories will be repeated at a later date.

The luncheon was prepared and served by Carol Marti, Linda Hlenay, Carolyn McEwen, Sheila and Sharon Obernicher, Carol Seibold, Diana Ozbun, Judith Gaudan, Hester Hahn and Brenda Kaler to Mrs. Ross.

Mrs. Hill, Mrs. Staydubur, Mrs. Charlotte Temple, Mrs. Tucker, Mrs. Mary Krican, Mrs. Holt, Mrs. Miller, Mrs. Alma Beckman, Mrs. Amy Turnbull, Mrs. Ona Turnbull, Mrs. Mabel Turnbull, Mrs. Glenda Ozbun, Mrs. Freddy McElroy, Mrs. Ann Pare, Mrs. Ada Kelly, Mrs. Georgia Engelle and three visitors, Mrs. Virginia Davis of East St. Louis, Mrs. Peggy Hackney and Mrs. Kathleen Tadlock, who joined the unit during the meeting.

The next meeting will be Aug. 3 at the church.

RETURN FROM SOUTHERN TOUR

Mrs. and Mrs. Emerald Dawes and their children, Robert, Ruth Ann, Brenda and Larry, returned to their home, 17 Terrace lane, Sunday evening from a tour of the south. They motored to Pensacola, Fla., on July 2 and returned by way of Gulf shores, Ala., and New Orleans, La. While in Gulfshores, they visited Mrs. George Baldwin, a cousin of Dawes.

RETURN FROM SOUTHWEST

Mrs. and Mrs. Harold Long and daughter, July, 2380 East 27th street, and Sandy Kemper, 2643 Iowa street, returned home Friday from a two-week vacation tour of the southwest.

They motored to Texas and then to California, making stops at Disneyland, Santa Ana, San Jose and Los Angeles, and visited Mrs. Donald Parkinson, mother of Louis, in Fairfield, Calif. The brother of Mrs. Long, Bill Davis, a former resident of Granite City, was visited in Santa Ana.

On the return trip, the northern route was taken by the Longs, and a trip up the Berkeley lift in Denver to see the mountains was enjoyed.

Mrs. and Mrs. Sherman Ray and son, Donald, of Vandalia, returned home Sunday evening from a fishing trip to Sullivan, Mo. Ray had been on vacation since earlier in the week, and the rest joined him for the week-end.

Miss Nadine Mitterdorf of St. Louis spent the weekend visiting her brother-in-law and sister, Mr. and Mrs. Kemper, 2643 Iowa street.

MRS. HOGAN HOSTESS TO CANDLELIGHTERS

Mrs. Donna Hogan entertained the Candlelighters for their semi-monthly meeting Wednesday evening in her home, 2321 Clark avenue. Pinocchio was played, with Mrs. Ruth Tyler winning first prize, Mrs. Norma Lassio second and Mrs. Betty Prater, third prize.

A late dessert course was served by Mrs. Hogan to the winners and Mrs. Lela Chase in honor of the recent marriage of their daughter, Mrs. Marie Lassio, to Gail Edward Phelps, Rolla, Mo.

The Orsey yard was decorated by the son, Robert, with holly, ferns, real and artificial flowers, shrubs and furniture to create an illusion of a formal Japanese garden. Inclement weather forestalled using the garden, but the candles and lights were lit and the misty rain added to the illusion.

Movies and slides were taken during the dinner and the opening of the gifts.

Guests attending the dinner Tuesday evening were Steve, Andrew and Carole Anne Lassio, children of Mrs. Lassio, Miss Lela Chase, Mrs. Lela Chase, Mrs. Robert Orsey, Mr. and Mrs. Elmer Neumann, Mr. and Mrs. Vasei Hittmeyer, Mrs. Jeanette Popovsky, Mr. and Mrs. Robert Margeson, Norman Popovsky, Mr. and Mrs. George Cuvay, Mr. and Mrs. Earl Strain, Victor Popovsky, Mr. and Mrs. Marvin Waggoner, Mr. and Mrs. Albert Beckmann and son, George of Pender Hills, Mo., Mr. and Mrs. W. L. Arey of Florissant, Mo., Mr. and Mrs. Steven Orsey, Miss Jeanette Reiff of Valley Park, Mo., Frank Henson and Miss Nada Gram-maticof of St. Louis, Mr. and Mrs. Edward Mizulski and children, Steven and Rickie, of East St. Louis, Mr. and Mrs. Jacob Wildpret of Brentwood and the bride's brothers, Dennis and James.

The Phelps are residing at 3238 Carlson avenue.

PICNIC, MEETING FOR FIDELITY CLASS

The Fidelity Class of the Methodist Church held a combined meeting and picnic Saturday evening at Shell Park, near Roxana.

John Anselm, chairman, announced that a "family night" will be held tomorrow at Wilson Park and the devotion will be given by the Men's Organization of the church. Earl Lee gave prayer, and the devotion was given by Mrs. Jibe Anselm.

Members of the class enjoying the picnic were Mr. and Mrs. Freeman Wolfe, Mr. and Mrs. Rodrick Key, Mr. and Mrs. William Herman and daughter, Nancy, Mr. and Mrs. Frank Carroll and daughter, Nancy, Mr. and Mrs. Homer Blumenstock and children, Cindy and Richard, Mr. and Mrs. Henry Canham, Mr. and Mrs. Peter Staicoff, Mr. and Mrs. Armlin and Lee.

The next meeting of the class will be Aug. 13 at the home of Earl Hooper, 2100 Garfield avenue.

PITTMAN RETURN FROM SMOOKIES

Rev. and Mrs. Leroy Pittman and son, Steven and Michael, 2031 Amos avenue, returned home Saturday evening from a two-week vacation in the Smokies. The Pittmans enjoyed "family camping" and spent five days camping at Mammoth Cave and then motored to the Smoky Mountains, camping on top and in the valley. They also visited the Cherokee Indian Reservation and watched the "Story of America" drama at the Indian village. On the return trip through Nashville, Tenn., they visited the "Upper Room Chapel."

SEVENTH BIRTHDAY

Mr. and Mrs. David Bourisaw honored their daughter, Donna, on her seventh birthday with a party at the Bourisaw home, 1724 Primrose avenue, Thursday afternoon.

Mrs. Bourisaw used a "Tuckle-berry Hound" theme for the party, and the honoree received a small puppy as a gift. The table was decorated with a prize box as the centerpiece, and it held prizes and favors.

As each child found his place card, he pulled a ribbon and received his favor from the box. One of the guests, Alice Rodell, shares the same birthday as Donna, and "Happy Birthday" was sung by the guests to both girls.

Games were played, with Joyce Theisen of Jackson, Shelly Weiss and Nancy and Susan Kyschke the winners.

The hostess served a birthday cake and ice cream to the winners and to Joan and Susan Barfels, Cecelia Weiss, Kenny and Keith Goff, and Danny and Diana Bourisaw, the honoree's sister and sister, Miss Beverly Williams assisted the hostess.

Others present were Mrs. Jane Quinn, grandmother, Mrs. Thomas Lane, great-grandmother, the honoree, Mrs. Elsie Rodell, Mrs. Marilyn Bartels, Mrs. Martha Kozusok, Mrs. Gilbert Williams, Miss Dorothy Bourisaw and granddaughters, Mr. and Mrs. Elmer Bourisaw.

Late in the evening, Donna and Alice were taken to a restaurant by Mr. and Mrs. Charles Rodell for their birthday dinners. The girls were born three hours apart seven years ago and celebrate their birthdays together every year.

MRS. SUE COOK HONORED ON BIRTHDAY

Mr. and Mrs. Leo Lipe honored their daughter, Mrs. Sue Cook Day, on her birthday Saturday with a "pizza birthday party" in the Lipe home, 1735 Pontiac road.

Those attending were Miss Carol Sabo, George Lipe, Ronny Hoover, Miss Sharon Nicholas, Mike Day, Miss Julie Lipe, Mr. and Mrs. Nelson Ross and children, Dara and Kelly, Larry Lipe, Mrs. Carol Troxel and daughter, Kim, of Atlanta, Ill., and the honoree's husband, Jack Cook, and their infant daughter, Patty.

Mrs. Ruth Orr, 2241 Venable avenue, and her children, Charles, John, Robyn, Phillip and Ruth Elizabeth, returned home Saturday after spending three weeks in Grand Rapids, Mich., visiting Mrs. Orr's parents, Mr. and Mrs. Daniel Carr.

Paul J. Hill, 2833 Iowa street, returned home Friday afternoon from Denver and Manitou Springs, Colo. He visited former local residents, Mr. and Mrs. Orville Brooks and Mr. and Mrs. Earl Taylor.

Lost Pig Receives Royal Welcome Here

Officer Smith has the pig," an item on the Granite City police blotter for Thursday stated.

Patrolman Ira A. Smith, 3051 Circle drive, was one of two policemen who answered a call to pick up a small pig that was reported in the vicinity of 2719 Iowa street Thursday evening.

They found the exploring pig, Smith took the pig under his wing, took it home, in fact, where his wife put it in a box.

"The pig just kept coming out, and we just kept putting it back in," Mrs. Smith laughed.

The Smiths' four children were delighted with the pig, never having seen one, and the pig was treated like a royal guest—baby food for dinner, and a well-supervised bath before bed.

But the two-week-old porker was recovered Friday morning by its rightful owner, Harry R. Wed, 2721 Iowa street. The pig, a pet of Ward's grandsons, had been brought down from his farm for a visit. He gave the Smith youngsters a box of bubblegum in thanking them for taking care of the pet.

Area Auto Accidents, Injuries Heading For New Records

Traffic accidents in the Quad-City area passed the halfway mark with a total of 843 and appeared to be headed for a new one-year record.

Averaging over 140 a month, auto collisions would total 1,686 by December 31 if they continue at their present rate. The previous high of 1657 was tabulated in 1957, and the only other year topping 1500 was last year, with 1625.

Never before have 843 mishaps occurred here in a January-June period. Previous figures have included 766 in the first half of 1959, 684 two years ago, 629 three years ago, 773 four years ago, and 708 five years ago.

25 YEARS
The following items were taken from the files of the Granite City Press-Record

The personnel of the new Madison County Emergency Relief Committee, of which A. B. Hettick of this city is a member, has been announced by Carl H. Martini, district representative of the state commission. The committee members are Louis Koch, Highland; Dr. Groves B. Smith, Godfrey; C. W. Terry, Edwardsville; Dr. Herbert Wickenshauser, East Alton. Martini expects to have them meet soon and organize.

More than a score of the close personal friends of William Champion made it a point last Wednesday evening to pay him a visit at the home on Cleveland boulevard to make merry and cheer the veteran banker and former postmaster. Mr. Champion has been ill for some weeks. With his wife and other members of his family he spent a period at Excelsior Springs and benefited materially as is known to all his friends who have seen him since his recent return. It was not a party in any sense Wednesday evening but an informal gathering of those who love the couple. Among those present were Mr. and Mrs. Peter DeWitt, Mr. and Mrs. Joe McGraw, Mr. and Mrs. Leonard Vester, Mr. and Mrs. John Ibbotson, Mr. and Mrs. Harry Anderson, Major and Mrs. James Mills, Mr. and Mrs. Wilderman, Mr. and Mrs. Herman Huxel, Mr. and Mrs. Roy Barney and his daughters, Mrs. Kimbrough of Ohio and Mrs. Hansen of East St. Louis. They had a pleasant evening and the refreshments were enjoyed and some of the folks did not go home until past midnight. Mr. Champion was feeling much better and entertained his guests with reminiscences. It was his sixty-sixth birthday, many years of which have been identified with the business and financial life of Granite City.

A drive for new members will be started soon by the Madison County Rotary Club. It was decided at a meeting of the board of directors Wednesday night after the regular club session and adjourned. During the meeting, S. M. Sprout was installed as president of the organization for the ensuing year. The retiring president, A. E. Castellani, was presented with a Rotary button by Judge Henry Connor on behalf of the club. Other new officers of the club are Fred W. Hiller, vice-president; George Flicoff, secretary; Francis Lahey, treasurer; Dr. L. C. Harlan, sergeant-at-arms.

Mrs. George Highfield of 25th and State streets entertained her card club, the Congenial, Wednesday. Her guests were Mrs. J. Whaling, Mrs. Eddie Schramm, Mrs. A. H. Ruwisch, Mrs. Wilbur Knowles, Mrs. Julia H. Hower, Mrs. F. L. Hudnall and Mrs. Homer Hausfaus.

A picnic supper party was given at the Madison County Country Club last night. The following couples participated: Mr. and Mrs. Philip Dale, Mr. and Mrs. Guy Tetherington, Mr. and Mrs. M. R. Sullivan, Mr. and Mrs. C. W. Munson, Mr. and Mrs. James Mills, Mr. and Mrs. J. C. Boggs, Mr. and Mrs. Edward Pauley.

A number of friends of Mrs. Eva Wilcox delightfully surprised her with a birthday party at her home last Tuesday evening. The evening was spent in

124 Mishaps Last Month

Monthly accident totals this year have been 135 in January, 154 in February, 151 in March, 128 in April, 151 in May and 124 in June.

During the same period, traffic injuries have amounted to

351, including 70 in January, 68 in February, 49 in March, 44 in April, 69 in May and 51 in June. The 351 figure exceeds any previous January-June injury total and indicates a possible 1960 total of over 700. The record of 724 was last year, with 547 in the first half of the year and 387 in the last half.

No June Fatalities
No traffic fatalities were recorded in June, increasing the number of consecutive days without a fatality to 35.

The death toll of six during the first six months of this year represents the lowest such figure except for 1958, when there were only four fatalities between January 1 and June 30. That year ended with the lowest toll, 23, of

any year since Quad-City area records have been kept. The Press-Record maintains area traffic statistics by compilation of reports from police, county sheriff's office and the state police force.

Three Worst Months
This year's compilation indicates a strong upward trend in crashes and the number of persons hurt, especially in February, March and May.

At the same time, the severity of the mishaps has been decreasing. During the same period in which six deaths have occurred, five of the previous seven years had fatality tolls in double figures, including one of 17, one of 16, one of 15 and one of 14.

Control Of Food, Drugs Explained

Activities of the Food and Drug Administration of the U. S. Department of Health, Education and Welfare were described in detail for members of the Daybreak Optimist club Saturday morning by FDA Inspector Harold Rodell.

The speaker told the Optimists that he and agents in his bureau are responsible for enforcement of federal laws which regulate the labeling and standardization of food and drug products shipped across state lines.

The administration is currently concerned with inspection of the many new drugs appearing on the market, particularly the so-called "pills" which are being used by commercial drivers to prolong hours of wakefulness while on the road, and also to the drug which is taken to counteract the effects of the "goals" when a driver has consumed too much alcohol.

Sale and use of such drugs is unlawful, the inspector said, and persons who violate the law are being prosecuted. Rodell himself will go to court today to testify in such a case.

Since the FDA is consistently concerned with the nation's health, constant checks against contamination of various food and stuffs are being made by his department, Rodell said. The agency is also swift to "recall" on manufacturers whose claims are proven to be false, he said, and the product is a new "wonder drug" or simply a load of baloney.

Being the federal agency, the FDA is somewhat limited in its control of products, having no authority over manufacturers of goods which are made and sold within the boundaries of a single state, the inspector noted.

A guest at Saturday's meeting was Dale Blackwell, director of safety and sanitation at the Union Starch and Refining Co. Vice-President George Moore presided over the meeting, which was held at the YMCA.

Edwardsville Divorce

Mrs. Sharon Schroeder of Granite City was granted a divorce from Herman O. Schroeder in Edwardsville recently before Circuit Judge Harold C. Williams was announced today. The grounds were listed as cruelty and adultery. The defendant was granted the care and custody of two minor children.

A. G. Lyons, entertained the Women's Foreign Missionary Society of the Nidderhous Memorial M. E. Church Tuesday at the Mathis home, 2501 State street. Mrs. Fred Sager, president, was in charge and Mrs. Emil Hemke and Mrs. William Kirchner gave an interesting lesson on "Burmese" taken from the missionary paper, "The Friend." There were two vocal selections by Mrs. Mary Ann by Mrs. David Foresche, a reading "Burmese Girls" by Miss Betty Haller, and an annual book opening of the society, which was in charge of Mrs. Kirchner. Those present at the meeting were Mesdames R. L. Mueller, William Allen, Shambaugh, Fred Sager, David Foresche, Emil Hemke, Roy Keane, James West, R. L. Compton, Edward Mercer, Clarence Lee, Louis Reber, the hostesses, and four guests, Mrs. Frank Fox, Miss Edna Wilkinson of Treen, Ill., Mrs. Betty Haller and Miss Alice Summerton.

To Resubmit Bids On New Suburban Church

Bids for construction of a combined chapel and educational building for the Suburban Baptist Church, opened Friday night. There were a bit more than four hundred bids at the present time. Rev. Keith Stanford, pastor, said in announcing that the church's new quarters will be redesigned and new bids sought. Granite City contracting firms submitted sealed bids for the project, originally designed with a chapel seating 300 persons and an adjoining educational building accommodating 350. The building is to be located on a five-acre tract at the southeast corner of St. Clair avenue and Mayville road in the Glenview subdivision.

Bids opened in the offices of Architect Gabriel and Dulgeroff Friday were: Leo Wolf and Company, \$116,567; Tom Studebaker Construction Co., \$116,900; G. H. Stenberg and Co., \$117,873 and S. M. Wilson and Co., \$128,247. Rev. Stanford said.

The pastor said the architects will be asked to redesign the building with "about a one-fourth reduction in size, originally planned." The church's official board will then call for new bids. "We hope to have it done within a couple of weeks," the pastor said.

The Suburban Baptist congregation, which numbers about 200 members, is currently holding services at the Marshall school. A new building program, of which the chapel-educational center is the first of four steps, has been scheduled over a 25-year period by the church.

Dale Maxwell Assigned To Mediterranean Duty
Dale A. Maxwell, Navy machinist's mate fireman apprentice, son of Mr. and Mrs. Moses Maxwell, 2623 Marshall avenue, is serving aboard the USS Aucilla, operating in the Mediterranean with the U. S. Sixth Fleet.

He reported aboard the Aucilla late last spring. Before that, he was in the Navy in June 1959, he graduated from Granite City high school.

Convertible Sought In Hit-Run Accident
A hit-and-run accident was reported to Granite City police at 10:45 p.m. Friday by Carl Clark, Maxville, 2623 Marshall avenue, who said his auto was damaged on the left side by another auto when it was parked facing north on Delmar avenue.

The other vehicle, described by Clark as a yellow convertible, was identified as a 1955 model from parking light lenses and a chrome strip found at the scene.

Insurance Topic Of Program For Optimists
In the market for insurance? Then choose an independent agent, Travis Griffin of St. Louis, guest speaker, urged members of the Granite City Noonday Optimist club during a luncheon meeting at the Eagles club Thursday.

Travis, a chartered property and casualty underwriter, explaining the difference between insurance program and the independent can offer a policy tailor-made for the policyholder's needs.

Following the talk, Optimist President Frank Re announced there will be a board meeting of Optimist officers and directors this evening at 7:30 in the Granite City high school principal's office.

Mrs. Freda Seibold, 50, Succeds Sunday

Mrs. Freda, Viola Seibold, 50, of 2535 East 29th street passed away at 11:40 a.m. Sunday at St. Elizabeth Hospital. A patient here for the past month, she had been ill for four months.

Born in Baryman, Mo., Mrs. Seibold came to Granite City 32 years ago. She was a member of the First Presbyterian Church and the Navigators organization of the church.

Survivors are her husband, Robert Seibold; a son, Ronnie Seibold of Granite City; two daughters, Mrs. Billy (Robert) Miller and Miss Marilyn Seibold, both of Granite City; two sisters, Mrs. John (Edith) Ryan, both of Granite City; and her mother, Mrs. Mattie Bohrenstiel of Granite City.

Funeral arrangements are given in the obituary column.

3-Day St. Mark's Picnic This Week

St. Mark's parish in Venice will hold its fifth annual bazaar starting Friday, July 15, on the church and school grounds at Sixth street and Broadway. The three-day event will include rides, games, concessions and refreshments.

Plans call for activities to begin at 4 p.m. Friday with a fish supper, and barbecued pork steak will be served starting at noon Saturday. The fried chicken dinner will be served in the church basement from noon to 8 p.m. Sunday.

Co-chairmen of the 1960 bazaar are William Parker and William McGarran. Committee chairmen will include Mr. and Mrs. Jess Tawney, Gus Daniels sr., Mrs. Eva Maurer, James Miller, Louis Scaturro, Fred Durrer, Mr. and Mrs. Harry Hinson, Leo Davinroy, Gene Wilkinson, Mrs. Frances Mangiaracino, Sam Mangiaracino, Erwin Sprengel, Loraine Daniels, Mrs. Mary Simmons, Mrs. Vivian Elin, Claude Billeury sr., Roy Muck, Hank Svein, Bernard Dixon, Mrs. Lois Boyd and Mrs. Florence Durrer.

License Investigators To Receive Medals

C. Luther Rudder, supervisor of District 7 for the secretary of state's office, announced today that a selection of the district's 12 license investigators is to be held today at his home, 2320 Harding avenue, for the purpose of awarding Red Cross advance first-aid and pistol qualification medals.

Rudder explained each man is required to qualify for the first aid and pistol awards.

Sign Delivery Still Delays 2-Way Traffic

The city still is awaiting the delivery of directional and other signs to start two-way traffic on State street and on 19th street in the business district.

Mayor Davis said over the weekend that "special, extra-large signs" have been ordered. "It's the special order that probably is causing the delay."

Under the program, officially adopted last December, 19th street is to be reopened to two-way traffic for its full length and State street from 18th street to Niedringhaus avenue. The city will prohibit left turns only for northbound traffic on State street at the 20th street and Niedringhaus avenue intersections. Four-way stops are to be created at the 19th and State streets and the 19th street and Delmar avenue intersections.

Also on 19th street, there will be a three-way stop at the Edison avenue intersection. Edison avenue will continue as a one-way, northbound thoroughfare.

Former Residents Visit Here: Back From Africa

Col. and Mrs. Virgil Phipps and their children, Marsha and John, former residents of the city, will be visiting relatives in Granite City and Madison in the next two weeks.

The Phipps family has just returned from Tripoli, Africa, where Col. Phipps was stationed. They will visit Mrs. Phipps' sister, Mrs. Jesse Holman, 3301 Johnson road, and the colonel's father, Harry Phipps, 1640 Third street, Madison.

Col. Phipps, a member of the 325th Air Force Fighter Group, will leave for a new assignment in Seattle, Wash., after the local visit.

Tampering Report False
A complaint of someone tampering with automobiles on the Swenson-Marusic used car lot at 1905 Madison avenue at 9:25 p.m. Thursday was answered by Granite City police, who are checking the suspects found them to be a man and his two sons looking at the auto.

Story Hours At Venice, GC Libraries This Week

Children's story hours will begin this week at both the Venice public library and the public library in Granite City.

Starting Tuesday at 10 a.m., Mrs. Mary Gene Knufinke, assisted by Miss Pat Patton, will tell aloud a series of children's stories, some by Mag Lindman about three boys, "Snip, Snap, and Saur," to Granite City children from kindergarten through the fifth grade. The Venice City program will continue for eight consecutive Tuesdays through the end of August.

At Venice, starting Wednesday at 10 a.m., Mrs. Sybil Robb will mark the 50th anniversary of the death of Mark Twain by reading excerpts from a biography of the Missouri author, "River Boy" by Isabel Proudfit. She will end the program with one of the stories about "Bartholomew's 500 Hats."

At each of the cities, films and songs will punctuate the story telling and at Granite City two puppet shows, given by Mrs. Carl Fuller and her three children, will be presented.

The theme of the weekly series at Venice this summer will be Mark Twain's view of boyhood, centering around stories of Huckleberry Finn and Tom Sawyer. The series will run for five consecutive Wednesdays and will also be for children of kindergarten age through the fifth grade.

Homecoming Meetings In Venice This Week

Preparations for the annual Venice homecoming, to be held Aug. 12-15 and 14 in Lee Park, are getting into full swing this week as the planning and "Miss Venice" contest committees will meet.

The homecoming planning committee will meet Tuesday night at the city hall to discuss the general outline for the three-day festival, while the Venice Junior Service club will meet Wednesday to make arrangements for registration of girls for the beauty contest.

Any girls wanting information about the contest are being asked to contact at their homes either Mrs. Lisa Bauer of Kerr street or Mrs. Jackie Leathernan of Third street.

McWhorter Completes Marine Combat Training
Marine Pfc. Jack McWhorter, son of Mr. and Mrs. Jack McWhorter, 2667 Highway 67, has completed four weeks of individual combat training at the Marine Corps Base, Camp Pendleton, Calif.

The course included latest infantry tactics, first-aid, demolitions, field fortifications and advanced schooling on weapons.

Explosion Reported
A "small explosion" was reportedly set off by a group of boys at a garage at 2204 Hodges avenue at 12:40 a.m. Friday. Granite City police answering the call were unable to locate the boys.

WHEELCHAIR donated by the enlisted men of the 593rd Engineer Group at the Granite City Engineer Depot have donated a wheelchair to the local Catholic Charities organization which in turn will be made available to persons making a qualified request to the United Fund member agency.

593rd Engineer Group Buys, Donates Wheelchair

The wheelchair was purchased with funds contributed by the men of the 593rd Engineer Group, and has already found a user.

He is Dennis Tilson, seven-year-old son of Mr. and Mrs. Paul Tilson of 2925 Madison avenue, who is affected with a disease known as leg-perthes, explained as a deterioration of the hip bones by the boy's mother.

The disease is not considered permanent or crippling, Mrs. Tilson, whose husband is a truck driver for Granite City Motor Express, said, and complete recovery usually takes from 12 to 24 months.

Meanwhile, doctors have recommended complete rest for young Tilson, who was a first grader at Mitchell school last year. His ailment was first diagnosed correctly three months ago. The wheelchair, then, was just what the doctor ordered.

As soon as the Tilson boy is able to walk again, the wheelchair service to the Catholic Charities and made available to other persons, thanks to the thoughtfulness and interest of the men of the 593rd.

Rotary Governor Kerik R. Klingman of Canton, Ill., who will visit the Granite City and Madison Rotary clubs this week.

Rotary Governor To Visit 2 Local Rotary Clubs

The Rotary clubs of Granite City and Madison will be host to Kerik R. Klingman, governor of the 646th district of Rotary International, at their meetings at 12:15 tomorrow at the YMCA, and 12:15 p.m. Wednesday at the Madison recreation center.

Gov. Klingman, who is making his annual official visit to each of the 46 Rotary clubs in this area, will address the local clubs and confer with President Dean Mabery and Secretary Raymond Ruffler in Granite City and President William F. Witter and Secretary Fred Schmidt in Madison. He also will meet with committee chairmen of the clubs on Rotary administration and service activities.

Klingman is director of choral music in the Canton high school, minister of music in the First Methodist Church and song leader since he became a member of the Havana Rotary club in 1932. He was elected as district governor at Rotary's 51st annual convention in Miami, Fla., in June.

He is one of 267 district governors supervising the activities of more than 10,600 Rotary clubs which have a membership of nearly 500,000 business and professional executives in 116 countries throughout the world.

Wherever Rotary clubs are located, their activities are similar to those of the local Rotary clubs because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of understanding, good will and peace among all peoples.

During the world-wide service organization's past year, 405 new clubs were organized in 47 countries, bringing the total to an all-time high. Five geographical regions were added to Rotary's membership roster—Aden, French Polynesia, New Guinea, Ryukyu Islands and San Marino.

Boy Escapes Injury

Granite City police received a report of a boy almost being run over by an insect spraying machine in the Bellemeo Village area at 9:07 p.m. Thursday, and other boys following the machine and running through the fog-like mist. The first boy, reported to have fallen between the machine and curb, could not be found. The machine had moved to another area and also could not be located.

New Construction In GC Light For 1st Week In July

Possibly due to soaring thermometers and the long holiday weekend, new construction in Granite City dwindled to \$28,315 for the first week in July, with only one permit issued for a private dwelling.

City Building Inspector Earl Bloomquist and City Clerk A. L. Stevens issued the one permit to Everett Kelly for a \$13,000 brick veneer with five rooms and 3 1/2 baths at 2431 Lydia lane, sixth addition Nanticoke Terrace.

Home improvement permits over the week numbered 10 with a value of \$11,615. They went to the following:

Elroy Jung, \$3000 for addition of a family room at 3204 Aubrey avenue, Leon Cruce, \$1865 to construct a garage and carport at 4012 North street, Alvin S. Wiley, \$1500 to add a sunporch to his home at 1951 Joy avenue, John Beresky, \$1200 for a garage and carport at 2812 Wayne avenue.

Charles Beaver, \$1000 to construct a garage and carport at 1900 Johnson road, Dominic Greco, \$1000 to add a room at 1813 Poston road, Amos Jones, \$1000 for general repairs at 2708 Harding avenue, Agnes Fryntko, \$500 to construct a garage and carport at 3113 Ash, Shane Rock Gardens, Elmer Parson, \$500 to add a porch at 2803 Harding avenue, and Harold LeHarder, \$50 for general repairs at 2091 Fourteenth street.

Obtaining a permit to place a trailer with an estimated value of \$5000 on a vacant lot at 2216 Edna street was Almond.

Dave Friedman was authorized an expenditure of \$500 to raise an advertising sign at a building at 19th street and Delmar avenue.

The week's single commercial permit went to Garland Farless for erection of a 7x4-foot electric sign costing \$800 at 1304 Niedringhaus avenue for the Shamrock Real Estate Co.

Lions Club Announces 4th Of July Receptions

Gross receipts of \$2,288 for their July 4th carnival, held in conjunction with Amvet Post 204, were reported by the Madison Lions at their meeting Thursday night.

After bills of about \$1300 are paid, the amount will be divided with the Amvets and then placed in a fund for support of such activities as the Khoury league. Secretary Fred Duffin said.

Selected as chairman for the club's annual picnic in August were C. W. Fremont and Tom Miller.

Before the regular meeting, President Charles Foley held a board meeting for newly-elected officers.

Republicans To Name Committeemen Tonight

Selection of Republican committeemen for the four newly-created Granite City precincts—Nos. 25, 26, 27 and 28—is to be made tonight at a regular meeting of the city committee at Cline's restaurant. Rudder said the selection of the committeemen will be made locally.

Robert Gibson, Democratic city chairman, said last week, before leaving for California to attend a meeting of the Young Democrats National Committee and the Democratic national convention, that Democratic committeemen for the new precincts will be named within the next two weeks, subject to confirmation by the county executive committee.

Madison County Drops To 5th Place In State

A further revision of county population totals has resulted in Madison county dropping to fifth place in the state.

This county was rated third in population after the 1950 census. However, it was reported the county dropped from third to fourth, and this week, with the revision, Madison county now has dropped further and is rated fifth.

The latest ratings, still subject to revision, are Cook county, first with 5,086,924; DuPage, second with 3,135,644; Lake county, moving up to third with 2,600,886; St. Clair dropped to fourth with 2,033,849 and Madison county fifth with 223,434.

4 Quad-City Youths To Be Drafted Tomorrow

Four local youths are to be selective service office in Edwardsville for armed forces induction. Where they will go to a St. Louis center for assignment to training camps.

Tomorrow, 11 Quad-City youths are to report to the county office for pre-induction physical examinations.

City May Set New Accident Record In '60

A new record may be set in Granite City this year. With 1960 half over, 531 traffic accidents already have occurred and this may be the first year in the 64-year history of the city that accidents will top a thousand. In 1959, the total was 968.

While the city passed the year's halfway mark without a fatality, 142 persons have been injured in the 531 traffic accidents recorded for the first six months. Of the injuries, 22 occurred in June.

This year's six-month total of 531 mishaps is nearly a hundred more than the 440 recorded at the halfway mark last year. However, in the first six months of 1959, two fatalities had been recorded along with 140 injuries.

Three years ago, Granite City was averaging two traffic accidents a day. This year, the average may be three.

In the 382 days for the first six months, there were only eight days on which an accident was not reported, and the daily average jumped to 2.91.

Nearly 30% on Madison Ave. Busy Madison avenue accounted for 101, or nearly 20% of the 531 accidents in the first six months, approaching an average

Monthly traffic through Chain of Rocks Canal Locks No. 27 jumped above the two-million mark for the first time this year in June, but the commercial and government tonnage for the first six months of 1960 were still somewhat below the figures for the same six-month period of last year.

A report from the district Corps of Engineers office in St. Louis showed today that June freight traveling on the canal and through the locks totaled 2,069,169.

Added to the total tonnage for the first five months of this year, the half-year total tonnage figure was \$10,486,215, as compared to 10,716,824 for January through June of 1959.

The total number of vessels using the locks and the June lockage figures were the same for any one month of this year. Vessels totaled 3024, while

6C Accident Statistics For June

Year	Accel	Inj.	Deaths
1960	83	22	0
1959	77	22	0
1958	56	19	0
1957	77	25	0

1951	62	10	1

of nearly one-a-day. The average for June was 2.7 accidents a day, with the 82 mishaps during the month slightly under the 85 prediction by the police department.

The traffic accidents last month included 19 on Madison avenue, nine on N. Washington, four on 20th street and on State street and three on N. Main and three on Edwardsville road.

Peak days during the month were Friday, June 3; Thursday, June 9, and Saturday, June 11, each with six accidents. There were four days on which not a single traffic accident was reported—Thursday, June 2; Sun-

day, June 5; Tuesday, June 7, and Wednesday, June 8. The two-day span of June 7-8 is considered to be unusual.

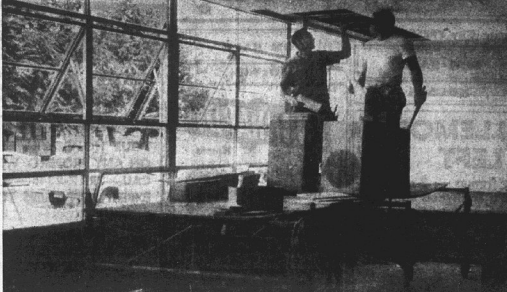

On two other days, five accidents were reported, four on five days, three on four days, two on six days and one on five days.

The types of accidents last month included 35 two-car crashes, four involving three vehicles, two auto-truck collisions, a two-truck crash, and 19 involving a moving and a parked vehicle, of which five were hit-

Six pedestrians, all of them injured, were involved in traffic accidents, and there were four in which autos and bicycles collided in addition to two motorcycle mishaps.

Two auto-trail mishaps were among those reported during the month, and fixed objects struck by vehicles included three poles, two posts, a tree and a barricade.

Breakdown of city accident statistics by month, listing the number of accidents and injuries in that order, follows: January—92 and 25; February—96 and 20; March—87 and 21; April—83 and 23; May—91 and 31, and June—82 and 22.

INTERIOR WORK at the new Harris grade school in Madison is progressing rapidly as the completion deadline of early September draws nearer. Workmen here are installing acoustical ceiling tile in one of the first floor classrooms. The new school, one of two being built in Madison, is scheduled to open for classes this fall.

Area-Wide 'Safety Week' Set For Sept. 1 To 7

Timed for the opening of school and the Labor Day holiday, "Safety Week" will be observed Sept. 1-7 in the Quad-Cities by the Tri-Cities Chamber of Commerce in sending the notices.

Alfred J. Weider, president of the Quad-City Safety Council, is the safety engineer for the project.

Blackwell, who is safety director at Union Star and Refining Co., is being aided by Merle Cox, safety director for Latrobe Steel Co., and George E. Clum, safety director for General Steel Castings Corp.

In conducting a community-wide safety week, the council plans to call for assistance from business, industrial, civic, church and youth groups, and letters are being sent to each organization.

The Quad-City Safety Council, with membership from local civic groups and industries, conducts its "safety week" each year, and throughout the year operates a speakers' bureau and supplies films for local club meetings.

The licenses of six local drivers have been suspended because of conviction on three traffic violations each, Secretary of State Charles F. Carpenter announced today. They are Larry C. Gabel, 4744 Warnock avenue; Arley H. Hoffman, 1444 Primrose avenue; Ivor W. Roberts, 1526 Cottage avenue; John A. Salmon, 2000 Fifth street; and James D. Watts, 1921 Fifth street.

Man Pleads Innocent To Cutting Ground Wires

Answering a report Thursday that someone was cutting transformer ground wires and stealing the copper in the vicinity of Newco Steel Barrel Co., 18th and Benton streets, Granite City police arrested Van Houten Mitchell, 50, of 615 Salvester street, Venice on a charge of malicious destruction of property.

Mitchell pleaded innocent to a complaint filed by E. G. Schmitt for the Illinois Power Co. Bond was set at \$500 pending a hearing July 20.

Schmitt said the complaint was based less on the value of the copper, which was negligible, than on the safety hazard which the removal of ground wires from transformers creates.

The wires, which run down utility poles to the ground and are covered with wooden molding, are so situated as to help clear excessive current if a bolt of lightning happens to strike part of the assembly.

Grant Two Divorces In City Court Saturday

Two divorces were granted by City Judge Fred P. Schuman Saturday morning. Charging extreme and repeated cruelty, Lillian Brannan was divorced from Irvin Brannan. Married June 14, 1958, the couple separated on Sept. 1 of the same year. The plaintiff's maiden name of English was restored by the court.

Gertrude Juanita McMurray was divorced from Blythe Eugene McMurray on the grounds of habitual drunkenness and willful desertion. The couple married Dec. 30, 1950, and separated in April 1957. The plaintiff was awarded the custody of four minor children.

MORE FOR U.S. DEFENSE LESS FOREIGN AID FUNDS

Dear Editor, Corby Townsend

There comes a time in every man's life when he has to cry out against abuses and the Foreign Aid handouts are one of them. The other is the "bandit" Progressive Income Tax. Two of the most vicious ideas ever conceived by government representatives.

We still need foreign handouts to be sure but not to Communist countries like Poland and Yugoslavia nor to Latin America (because we cannot help their friendship) nor to England France or Italy but where it is vitally needed to keep the "vacuum" in which Communist penetration would otherwise be inevitable.

That's what happened in Egypt when Dulles refused aid to Nasser for the Aswan Dam. Now I can criticize Dulles because I understand him. I can picture but there I thought that right in refusing Nasser the aid he needed so badly, but foreign handouts are not given this way. By giving foreign handouts the appropriations for our own defense against surprise attack have had to be postponed because of lack of funds.

Without our possessing superior striking power: (1) America and no free world strategy can succeed (2) Communist small wars can neither be won nor limited (3) No economic, political, psychological and military cold war strategy can succeed.

Let's examine the fruits of our foreign handouts.

The 250 allied bases now available to us probably will not be available to us in a war. This is a reality which proponents of "foreign aid" refuse to face. Vivid instances are at hand: ready we are compelled to pull out of our billion dollar bases in Morocco.

In the Philippines, Okinawa, Japan, Panama, Iceland, Libya, Saudi Arabia, France and Britain we are experiencing base difficulties. In nearby Cuba we are unwelcome on our grounds at tanamo Naval Base. So what's the verdict? You be the judge. More foreign "handouts" are more spent on our own defense and offensive weapons. (And by golly we still save money!).

Yours truly,
Vincent J. Asha

OPPOSE CITY MANAGER FORM OF GOVERNMENT

As the time goes on in our city we are being faced with a change of government known as city manager.

Some people may want this kind of government. I don't. I think it is in danger of making it worse. My opinion is it won't. I want to see a few city manager meetings in Alton and have talked with a lot of people. They told me they were sorry they have it.

We are always told the good side of things not the bad parts. Think of this type of government as you would an election. By this I mean politicians make a lot of promises. Are they kept? We know our present form of government, we put them in office. If we are in need of change let's do this by nominating and voting for the persons we think fit and capable at the next election in our present form of government. City manager isn't our solution. In our present government we have a lot more men representing us, the council, elected by the city manager has a handful of men who can go too much one way good or bad.

Our present government is larger and requires more votes. I'm not defending any of our council members. Our town just don't need city manager government.

We do need changes but with our present government at election time.

Pay Is Major Change in Venice Schools' Budget

Provision for salary increases accounts for the major change in the Venice school budget, which is up 10 percent from \$64,280 for the 1960-61 school year, an analysis showed today. Final setting of the budget is set for August 15.

While the amounts to be expended for salaries are listed in the proposed budget, an agreement has not yet been reached between the teachers' federation in Venice.

A public hearing will be held the night designated for adoption of the yearly budget. The tentative document lists \$538,016 for salaries of administrators and teachers, an increase of \$20,927 over the 1959-60 budget. The remaining \$10,364 is for salaries of other personnel.

With the remaining nine percent, the Venice school district transferred from the educational fund to the building fund, and a new transportation fund, the appropriations total \$485,541 under education, down \$89,537; \$10,364 for transportation, up \$15,465.

Under the budget, if adopted as proposed, would represent a \$25,626 increase over the 1959-60 budget. Figures for the past year have not yet been announced.

Budget Breakdown
A detailed breakdown of the educational fund budget, including a comparison with the previous year, follows.

General control: Board, business offices and compulsory attendance services for office. Latin Music Stylists To Make TV Debut July 19

A "Latin-American Rhythm Group" made up of eighth and ninth graders from Coolidge Junior high school band will make its initial TV appearance over Channel 5 at noon on July 19, the group director, Robert D. Todoroff announced today.

Formed last January, the group is unique, Todoroff said, in that it is the only known one of its kind in America, presenting authentic latin music on authentic latin instruments. The young members were selected for outstanding performance on their respective instruments, the director added.

No strangers to Granite City and Madison counties, the youthful musicians will mark their 20th public appearance since March on the Channel 5 show.

Todoroff said he decided to

form the ensemble after one of his extensive travels through Mexico.

"Programs," he related, "have been expressly designed to be informative as well as entertaining." Many of the selections have been composed by the group's director.

The current program includes rich latin rhythms as the Bolero, Samba, Mambo, Guaracha, Son-Montuna, Rumba, Reguine, Cha-Cha-Cha, and other unusual tropical specialties.

Members of the ensemble and their instruments are: Judy Stegelmeyer, flute and piccolo; Kenneth Wille, Trumpet; Carol Grizzard, clarinet; Karen Danenberg, alto saxophone; Donna Stayduhar, piano; Gerald Hefferty, bongos drums; Jay Stothel, timbales; and Bill Niepert, conga drums.
